Welcome to “Life in Civil War Alexandria,” the City of Alexandria’s official launch event to commemorate the 150th anniversary of the American Civil War!

The goal of this special event is to promote a greater understanding and appreciation for the Civil War heritage of Alexandria and its environs by supporting the City’s Sesquicentennial theme, “Alexandria: Witness to War and Reunion.”

The variety of activities, interpreters and participants in this event will explore Alexandria’s Union, Confederate and civilian Civil War history from many perspectives, including: the allegiances of the local citizenry; the Federal occupation of the town on May 24, 1861, and its role as a base of operations for the Union war effort; the experiences and participation of African Americans; and daily life for soldiers and civilians of the time.

Discover your local history, talk to the participants and feel free to ask questions. Also learn about many museums, historic sites and organizations of Civil War interest in the area, and the wide range of programs, events and resources that will be offered during the Sesquicentennial to enrich your study of Civil War history!
