

RESOLUTION 830

Working Group Guidance

Current Resolution 830

Should the language in Resolution 830 1) remain the same, 2) be revised into an updated version, or 3) be replaced completely?

How should the Resolution 830 term "substantially equivalent" be interpreted as (unit size, bedroom mix, affordability level, location, etc.)?

What should be the minimum affordability term for replacement units under the Resolution 830 Policy?

If an Expanded Resolution 830 Policy is Implemented

What should the City require of affordable housing developers/owners in exchange for providing units under an expanded Resolution 830 Policy?

What financial incentives should the City provide to affordable housing developers/owners in exchange for providing units under an expanded Resolution 830 Policy?
