The signatories will first consult with the other signatories per Stipulation XII, above. If within thirty (30) days (or another time period agreed to by all signatories) an amendment cannot be reached, any Signatory Party may terminate the MOA upon written notice to all signatories.
- c. Once the MOA is terminated, and prior to work continuing on the Undertaking, the City must either a) execute an MOA pursuant to 36 CFR § 800.6 or b) request, take into account, and respond to the comments of the ACHP under 36 CFR § 800.7. The City shall notify the Signatories as to the course of action it will pursue. ARHA will share a technical report or other documentation on the work done up to and including the date of termination.
