

KING STREET BICYCLE FACILITIES

PUBLIC MEETING – WEDNESDAY 9/18

What's Happening?

- A public meeting will be held 9.18.13 at 7:00 pm in the Maury Elementary Cafeteria located at 600 Russell Road, in order solicit community feedback regarding a proposed project
- Portions of King Street, between Callahan Drive and Janney's Lane, will be resurfaced this fall, and in conjunction with this project the City is proposing to narrow the moving lanes to provide traffic calming and install bicycle lanes in both directions
- Representatives from City T&ES Maintenance Division staff will also be present to answer questions regarding the resurfacing project
- The proposed King Street bicycle lanes, between West Cedar Street and Janney's Lane, will connect to the King Street Metro and will connect to the new bicycle lanes installed on Janney's Lane as called for in the City's Pedestrian and Bicycle Mobility Plan, and will require parking removal
- This project will also be presented at the City's Traffic and Parking Board on September 23 at 7:30 pm in City Hall (Council Chambers), 301 King Street
