Bike Map
Alexandria, Virginia

Please do your part to improve bicycling in Alexandria by riding where you are going. Vernon Trail or a quick way to work, this map will help you get there.

This map identifies the City's existing on-street and off-road bike facilities. It also indicates other on-street bike lanes that could be added in the future. Major regional connections are included on this map as well.

Local Motion
Visit Alexandriava.gov/localmotion today!
The City of Alexandria's local bike program is more than a program. It is a movement. A movement to reduce our dependence on cars and mobile devices, to save money and improve our quality of life. Get Involved & Get Moving

The City of Alexandria Pedestrian and Bicycle Program sends you this map as an introduction to our trail system and as an invitation to book a bicycle at our new location! Do you want to learn more about Alexandria bicycle trails? Visit the City of Alexandria Pedestrian and Bicycle Program's website for more information.

Bicycle Parking
This map identifies bicycle parking facilities in the City of Alexandria. Bicycle parking is available at various locations throughout the City. To learn more about bicycle parking, visit the City's website or contact the Pedestrian and Bicycle Program for more information.

Save Money. Be Healthy. Enjoy the Ride.
