

Holmes Run/Chambliss Crossing Study Community Meeting Agenda 6:30 to 8:30 pm on Thursday, May 28, 2009

William Ramsay Recreation Center
5650 Sanger Avenue, Alexandria, Va

Opening Presentation – 30 minutes

- Project Update & Discussion of Expanded Scope
- Viable Crossing Options
- Engineer's Recommendations for Crossing
- Stream Restoration/Stabilization Tutorial May 30 & other Next Steps

Question & Answer – 30 minutes

Meeting Goals:

1. Attendees will leave with a better understanding of the project scope given recent developments.
2. Attendees will leave with a better understanding of how a crossing and restoration/stabilization project can enhance rather than destabilize the area.
3. Given the project goals and constraints, attendees will leave with a better understanding of the engineer's preference for a proposed crossing type.
4. Attendees will learn of the opportunity to return on Saturday, May 30 for a tutorial and site walk to review the crossing area and stabilization/restoration methods.

Public Transportation to Ramsay is available by DASH AT1 and AT2 and MetroBus 7A, 7F, 7W, 7X. Bicycle parking is available and the center is accessible by bike from Holmes Run Greenway. View the City bikeways map here >> <http://www.alexandriava.gov/localmotion>
