

Information Request Form

Information is the key to change. The Local Motion Employer Services program is your transportation resource for getting employees to, from and through the City of Alexandria.

Replenishing a display in the employee lunchroom? Assembling materials for your new-hire orientation? Don't miss an opportunity to provide valuable information about transportation options.

This form is a list of recommended materials that are ideal for distribution to employees. Simply indicate the quantity of each item you would like, complete the contact information and forward both pages to the Local Motion Employer Services team.
