69	Del Ray (General)	More education and outreach regarding safety and laws + Increase enforcement	Motorist ignores speed limit, want traffic enforcement
70	Rosemont (General)	More education and outreach regarding safety and laws + Increase enforcement	Motorist ignores speed limit, want traffic enforcement
71	Commonwealth Ave. and Luray	More education and outreach regarding safety and laws + Traffic Calming	Motorists do not adhere to traffic signals and speed limit
72	Glendale and Newton	More education and outreach regarding safety and laws + Traffic Calming	Motorists do not adhere to traffic signals and speed limit
73	N/A	More education and outreach regarding safety and laws + Traffic Calming	Motorists do not adhere to traffic signals and speed limit
74	Commonwealth Ave. and Braddock Rd.	More education and outreach regarding safety and laws + Traffic Calming + install sidewalks	Motorists do not yield to pedestrians + more crosswalk and speed bumps on north of Braddock
75	West Braddock Rd.	More education and outreach regarding safety and laws + Traffic Calming + Traffic Concerns	Requests to know how the city will plan for the increasing traffic through Braddock Road. City and Metro government vehicles speed+ requests to reduce traffic and increase safety.
76	Junior St.	More education and outreach regarding safety and laws + Visibility Issues	Motorists do not adhere to traffic signs, increase visibility of STOP signs
77	Madison St. and Route 1	More education and outreach regarding safety and laws	Motorists on Rt.1 do not adhere to traffic lights and HOV restrictions
78	Old Town	Motorists do not adhere to traffic signals	Motorists do not adhere to traffic signals
79	N/A	N/A	Meeting data conflicts with Jewish holiday
80	W. Braddock Rd	Need for more education and outreach regarding safety and laws + Traffic Calming	Need slow down traffic and educate all users of the road
81	E. Myrtle	Need for more education and outreach regarding safety and laws + Traffic Calming	City vehicles and other motorist speeds; do not adhere to speed limit.

Comment #	Location (Intersection or Street)	Theme/ Topic	Comments
82	Commonwealth Ave. and Bellefonte Ave.	Need for more education and outreach regarding safety and laws + Visibility issues + Traffic Calming	motorists do not adhere to stop signs + requests to better sign visibility and traffic calming
83	N/A	No Right Turn lanes	Right turn lanes should be prohibited and removed entirely
84	Leslie and Monroe Ave.	Parking accommodation	Need more parking to accommodate the nearby services
85	Commonwealth Ave.	Parking accommodation + Visibility issues + Install sidewalks	Parking along the roads limits visibility to those pull out from the side street + between Monroe and Cliff, motorists speeding endangers cyclists +requests for protected bike lane + Add sidewalk bwtm Nelson and Braddock
86	N/A	prioritize pedestrians	allow vehicles to turn right on red unless pedestrians are present
87	N/A	prioritize people before cars	thoughts on pedestrian right of way vs driver right of way
88	Sanger and Beauregard	Signage	Need to have no right turn on red
89	Braddock Rd.	Signage	better signage for the new crossing across Braddock Rd. between 7/11 and Potomac Yard Park
90	Commonwealth and Mt. Vernon	Signage	Better traffic signs between "cut throughs" between these two roads
91	Commonwealth Ave. and Monroe	Signage	Sign placement is not aligned properly
92	Commonwealth Ave. and Linden	Signage	better navigation aid for pedestrians and motorists
93	Mt. Vernon Ave.	Signage	better navigation aid for pedestrians and motorists
94	Glebe Rd. and Route 1	Signage	Left turns from Glebe to Rt 1 confusing
95	Commonwealth Ave.	Signage + Maintenance	Pavement marking for crosswalk needs to be repaired with better signage (iridescent)
96	Commonwealth Ave.	Signage + Parking Accommodation	No speed limit signs from Rosemont Ave to Monroe St. on Commonwealth Ave. +Parks car too close to the corner
97	Hancock	Signage + Traffic Calming	Stop sign to slow down traffic
98	Luray and Hancock	Signage + Traffic Calming	Motorist speeds, requests for stop sign
99	W. Luray	Signage + Traffic Calming	Requests for a stop sign on Luray to reduce speeding cars coming down from Commonwealth going to Braddock Rd. Better pedestrian crossing over Commonwealth Ave.
100	Cameron St.	Signage Issues	Near King St. Metro; confusing traffic signals and signs

Comment #	Location (Intersection or Street)	Theme/ Topic	Comments
101	Del Ray (General)	Signage issues	Inconsistent stop sign policies are confusing (some are two way stop and some are all way stop)
102	Commonwealth Ave.	The need to prioritize people before cars	additional signage and prioritize pedestrians
103	Commonwealth Ave. and Braddock Rd.	Traffic Calming	Requests to make Glendale one way or block it so it is no longer a through street // physical structures to reduce traffic speed
104	Linden St.	Traffic Calming	Cars speed up Linden to access N. View and King Street. Suggests NO LEFT TURN during rush hour
105	Russell Rd. and Bellaire Rd	Traffic Calming	Need a type of traffic calming on this intersection
106	Braddock Rd.	Traffic Calming	Speeding is common between lights at Russell Rd. and Commonwealth Ave.
107	Commonwealth Ave.	Traffic Calming	Traffic does not slow down near pedestrian crosswalk
108	Mt. Vernon Ave	Traffic Calming	Traffic does not slow down near pedestrian crosswalk
109	Potomac Yard Playground	Traffic Calming	Additional traffic calming
110	E. Myrtle	Traffic Calming	Motorists do not adhere traffic speed limit
111	Cameron Station	Traffic Calming	Motorist do not adhere to speed limit
112	E. Reed Ave.	Traffic Calming	Needs traffic calming with the increased development in that area
113	Seminary and Quaker Ln.	Traffic Calming	Request proactive traffic calming measures +road diet
114	Glendale and Braddock Rd.	Traffic Calming	Traffic calming to reduce the speed for the traffic coming down hill
115	Kennedy St. and Ancell	Traffic Calming	requests for 4 way stop and traffic calming
116	N/A	Traffic calming	Mentions Saccadic masking... Requests to increase physical barriers to slow our streets down
117	Del Ray (General)	Traffic Calming	Needs to regulate traffic better with more stop signs
118	Old town	Traffic Calming	Needs to regulate traffic better with more stop signs
119	Rosemont (General)	Traffic Calming	Needs to regulate traffic better with more stop signs
120	Leslie	Traffic Calming	Motorists do not adhere to speed limit
121	Commonwealth Ave. and Braddock	Traffic Calming	Increase physical structures to slow traffic
122	Del Ray (General)	Traffic Calming	Motorist speeding endangers pedestrian
123	Rosemont (General)	Traffic Calming	Motorist speeding endangers pedestrian

Comment #	Location (Intersection or Street)	Theme/ Topic	Comments
124	Monroe Ave. Bridge	Traffic Calming	Safety concerns as cars swerve around triangular island coming from north on Route 1 over Monroe Ave.
125	W. Glendale and Commonwealth	Traffic Calming	Reduce traffic by making it a one way
126	W. Monroe	Traffic Calming	Between Russell Rd and Commonwealth Ave.; better traffic calming
127	E. Myrtle	Traffic Calming	City of Alexandria school busses do not adhere to speed limit
128	N/A	Traffic Calming	Motorists speed and make fast right turns
129	Commonwealth Ave.	Traffic Calming + Increase enforcement	Motorist (often parents) speed down Commonwealth Ave. requests for officer to monitor traffic speeding
130	W. Monroe	Traffic Calming + More educational and outreach regarding safety and laws	Motorists do not adhere to traffic signals and speed limit
131	Mt. Vernon Ave.	Traffic Calming + better or install crosswalks	Motorists do not adhere to speed limit; pedestrian crossing can be difficult
132	King St. and Russell Rd.	Traffic Calming + Drivers failing to yield	Drivers roll up on red not knowing that pedestrians have a "walk" sign & aggressive drivers turn right on Maple St. too quickly
133	E. Monroe Ave.	Traffic calming + Increase enforcement	Motorists do not adhere to speed limit, need more enforcement
134	N/A	Traffic calming + Increase enforcement	Several comments on how to regulate speeding cars, asks for better traffic enforcement
135	Glendale and Braddock Rd.	Traffic Calming + Install sidewalks	Add sidewalk, traffic calming, and make Glendale a one way street
136	Commonwealth Ave. and Braddock Rd.	Traffic Calming + Maintenance	Better road pavement/maintenance. And motorists speeds
137	E. Oak St.	Traffic Calming + Signage	Better traffic calming for the traffic that speeds down E. Oak St. + Better signage
138	Mt. Vernon Ave.	Traffic Calming + Visibility Issues	E-W connecting Mt. Vernon to Commonwealth to Russell. Narrow roads limit visibility, need to reduce speed limit
139	Russell Rd.	Traffic Concerns	As traffic back up on Russell Rd (heading towards King St.) motorist crosses over to the opposite lane
140	Russell Rd.	Traffic Concerns	Traffic is horrible during rush hours
141	Braddock Rd.	Traffic Concerns	Requests a better way to prevent traffic from cutting through the neighborhood

Comment #	Location (Intersection or Street)	Theme/ Topic	Comments
142	Mt. Vernon Ave. and Braddock Rd.	Traffic Concerns	Left turn light is on when it is unnecessary and causes backup
143	Russell Rd.	Traffic Concerns	traffic backs up on Russell, causing others to cut through neighborhoods
144	Commonwealth and Braddock Rd.	Traffic Concerns + Better or install crosswalks	Southbound traffic attempts to make left turn on Braddock Rd. endangers other drivers. Pedestrians run on street
145	E. Monroe Ave. and Leslie Ave	Traffic Concerns + Parking Accommodation	Parking does not accommodate traffic activity
146	Route 1 Monroe Street Bridge	Visibility Issues	Difficult to see pedestrian crossing
147	Commonwealth Ave. and E. Oak St.	Visibility Issues	shrubs along the sidewalk creates poor visibility and walking conditions for pedestrians
148	Commonwealth Ave. and W. Oak St.	Visibility Issues	shrubs along the sidewalk creates poor visibility and walking conditions for pedestrians
149	Mt. Vernon and E. Oak St.	Visibility Issues	Poor visibility for drivers
150	Nelson and Mt. Vernon Ave.	Visibility Issues	Needs to increase visibility
151	Commonwealth Ave. and Braddock Rd.	Visibility Issues	No right on red/ increase visibility by removing bamboo + vegetation
152	Commonwealth Ave.	Visibility Issues	Between Luray and Spring St, shrubs on the Westside forces pedestrians on the street.
153	Commonwealth Ave. and W. Oak St.	Visibility Issues	Poor visibility for drivers
154	Commonwealth Ave.	Visibility Issues	shrub on private property creates a poor sidewalk \condition for pedestrians
155	Russell Rd	Visibility Issues	shrub on private property creates a poor sidewalk \condition for pedestrians
156	Braddock Rd	Visibility Issues	Need to increase pedestrian visibility
157	Commonwealth Ave.	Visibility Issues	Need better pedestrian visibility at night
158	Del Ray (General)	Visibility Issues	requests better visibility and to reduce blind spots in major intersections
159	Braddock Rd.	Visibility Issues	Near Braddock Rd. Metro Station, increase visibility of pedestrians on crosswalks
160	Alexandria and Commonwealth	Visibility Issues	Needs to increase visibility
161	Commonwealth Ave. and Braddock Rd.	Visibility Issues + Increase enforcement	Need to reduce distractions and enforce speed limits / better visibility during night time
162	Commonwealth Ave. and Braddock Rd.	Visibility Issues + Install sidewalks	Need to increase visibility + Sidewalks on the N side does not accommodate
163	Commonwealth Ave. and E. Oak St.	Visibility issues + Parking Accommodation	cars parked too close to the corner creates poor visibility for drivers
