

POTOMAC GREENS DRIVE TMP PROJECT

Potomac Greens/Old Town Greens

September 16, 2014

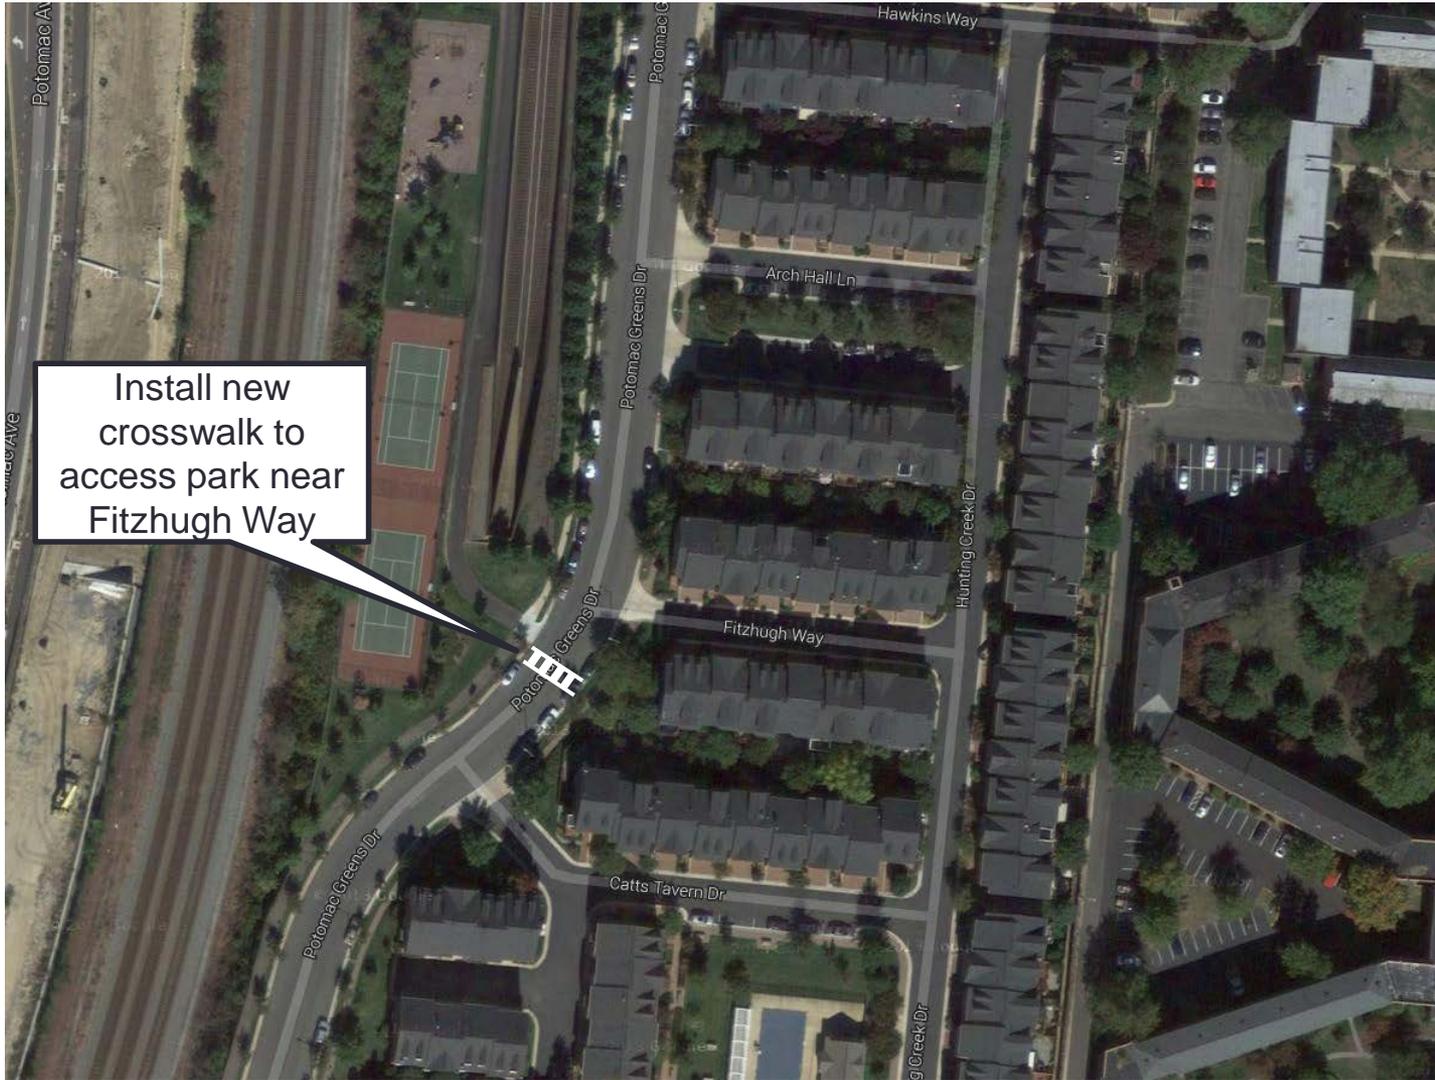

TMP Funding Project

- Old Town Greens TMP funding needs to be utilized to promote walking, bicycling and alternate forms of travel
- City received requests for pedestrian and bicycle improvements
- Proposed concept plans
- Feedback from the community

Why we are Here

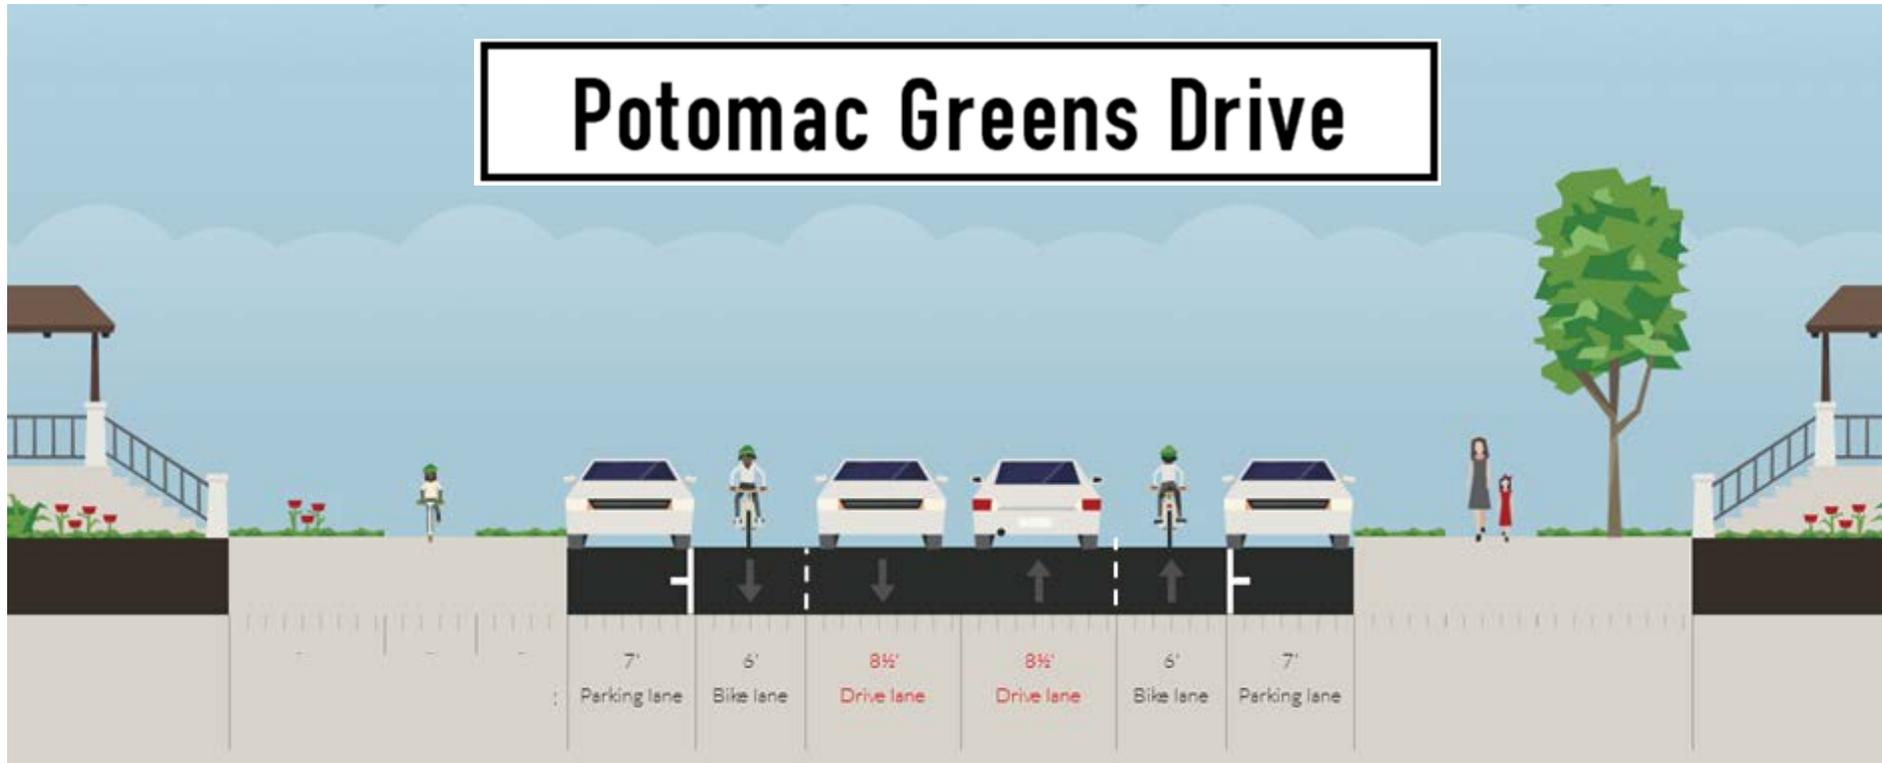

- Pedestrian safety concerns from the community
 - More crossing opportunities
 - Speeding vehicles
- Traffic calming requests from the community
 - Slower vehicles speeds
- Request for bicycle lanes
- Capital Bikeshare installation at Slaters Lane

Proposed Crosswalk Option

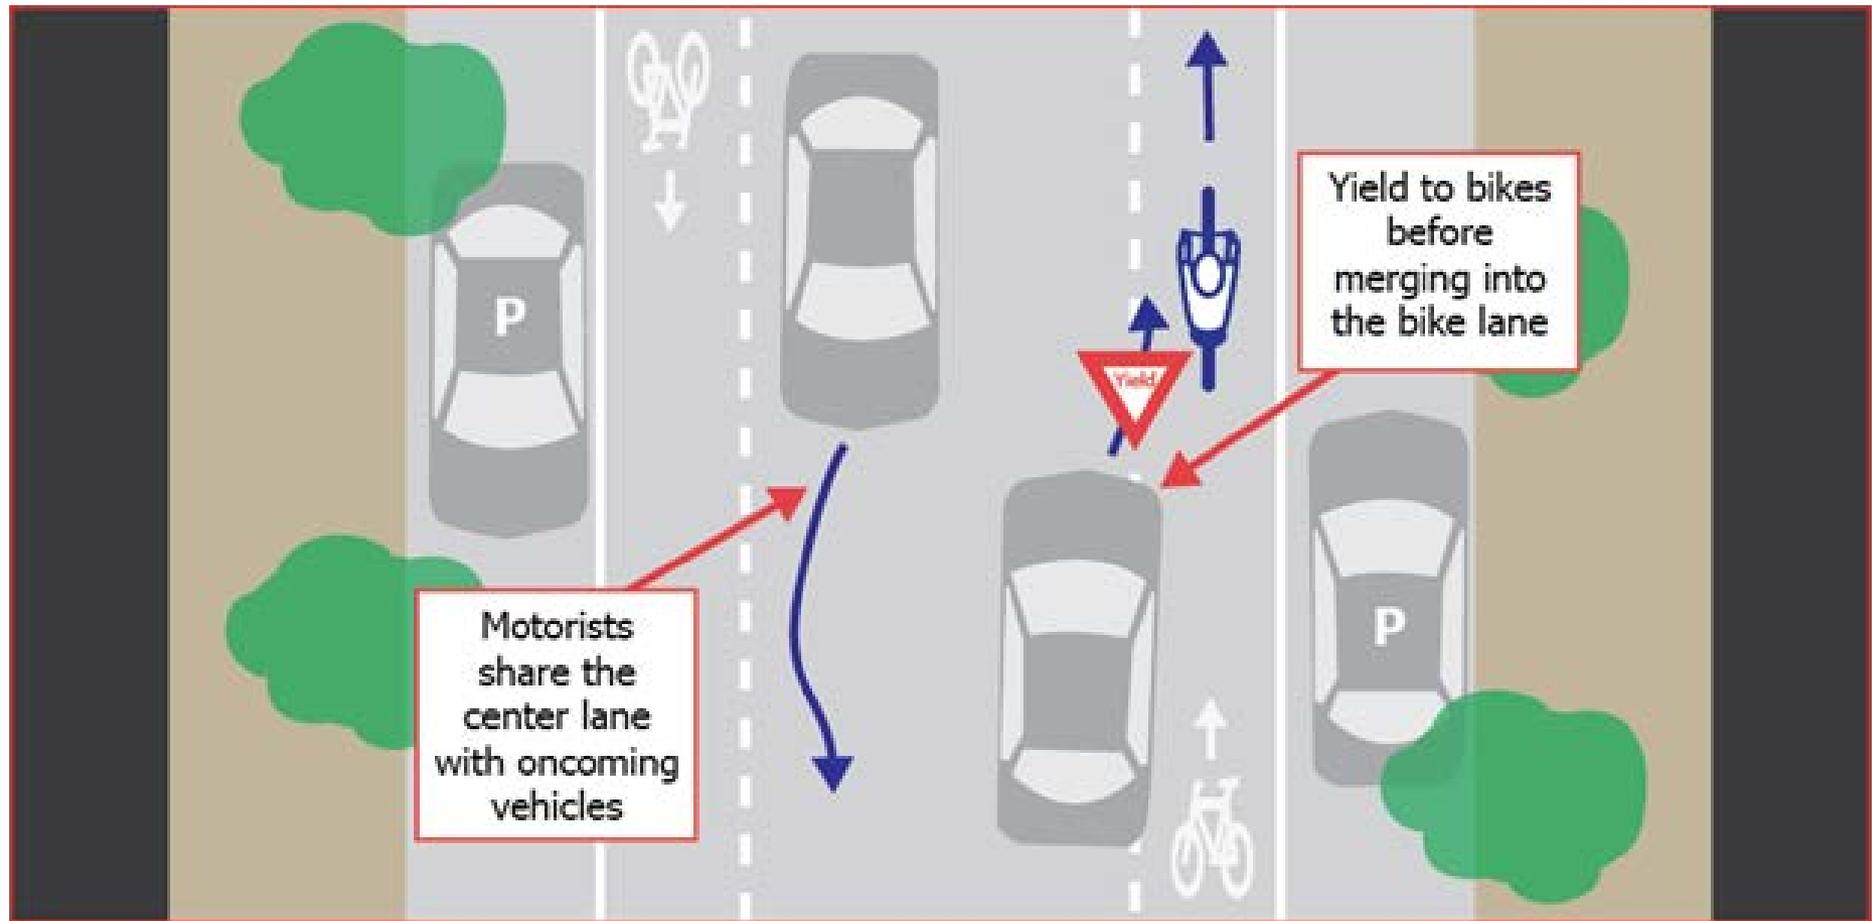

Proposed Bike Facilities: Massey Lane to Carpenter Circle

Potomac Greens Drive

- Advisory Bike Lanes – New treatment in region
- Narrower moving lanes slow vehicle traffic
- Provides designated space for cyclists, motorists and pedestrian
- Reduces bicycle riding on sidewalks

How it Works

Questions, Comments and Additional Feedback
