Dear Ms. Poole:

Thank you for your July 11 request to experiment with dashed bicycle lanes on Potomac Greens Drive in the City of Alexandria. Your revised request to experiment is approved contingent on our previous arrangement where the City would install Bike Lane (R3-17) signs, and if applicable, Bike Lane plaques (R3-17aP and/or R3-17b) for the dashed bicycle lanes.

We look forward to receiving your semi-annual status update(s) and your final evaluation report at the end of the study period in accordance with Item I of Paragraph 11 in Section 1A.10 of the 2009 *Manual on Uniform Traffic Control Devices for Streets and Highways*.

For recordkeeping purposes, we have assigned the following Official Ruling number and title: “9(09)-54(E) – Dashed Bicycle Lanes – Alexandria, VA.” Please refer to this number and title in future correspondence.

Thank you for your interest in improving traffic safety for bicyclists.

Sincerely yours,

Mark R. Kehrl
Director, Office of Transportation
