

Holmes Run Bike Trail Project

September 10, 2015

Vicinity Map

Holmes Run Fair Weather Crossing

Project History

- Project developed based on RPCA's solicited input from the community
- Project was endorsed by the Park and Recreation Commission in March 2014
- Design and Construction phases are fully funded
- Replacement of the existing fair weather crossing with a new accessible pedestrian bridge
- New on-street bicycle route (alternative route to be used during flooding events)

Project Status

- Development of the construction plan is currently underway
- Design completion anticipated for late Fall 2015
- Construction is anticipated to begin in late Spring 2016
- Construction duration approximately 12-18 months

Potential Bridge Style
