When you share your ride with two or more people, you can save time and money, access HOV lanes and reduce pollution. Vanpooling is similar to carpooling, however with additional passengers. It is an economical option for longer commutes.

## CARPPOOLING & VANPOOLING

What commute could be better than a short walk from your bed to your home office? A business trend that many employers are embracing is teleworking, also known as telecommuting. Telework is an innovative business solution that gives employers and employees flexibility by allowing employees to work outside of the office on a full-time, part-time, or even temporary basis. **teleworkva.org**

## TELEWORK

**KING STREET TROLLEY**  
The King Street Trolley is a free service operating between the Potomac River Waterfront and the King Street Metro Station, a one-and-a-half mile route. Every 15 minutes riders can board at any of the 20 stops, seven days a week.  
Sunday - Wednesday: 11 am - 10:30 pm  
Thursday - Saturday: 10:30 am - midnight

**DASH BUS**  
The DASH system provides safe, reliable and courteous bus service within the City of Alexandria and connects with Metrobus, Metrorail, VRE and other local bus systems. **dashbus.com**

## BUS

GO Alex is the City of Alexandria's transportation resource, promoting the advantages of walking, biking and riding. Try some of the many options available to commute for work or leisure. Save money, live a healthier lifestyle and enjoy the ride! **alexandriava.gov/GOAlex**

## BIKE

Alexandria joined the regional Capital Bikeshare network in September 2012 and now has a total of 31 bikeshare stations in Old Town, Del Ray and Carlyle. More people than ever are using their bicycles for errands and riding on the popular Mount Vernon and W&OD trails. The City is a silver-level Bicycle Friendly Community. **capitalbikeshare.com**

## WALK

Alexandria is often recognized as one of the most walkable cities in the U.S. This is primarily because of a rich tradition of smart urban design. We also emphasize accessibility, safe routes to schools and transit and encourage active living through use of the extensive park and trail system. The City is a silver-level Walk Friendly Community.
