INTRODUCTION

The City of Alexandria is committed to facilitating a wide range of special events that highlight the diverse communities within the City. In order to ensure that all events are conducted in a safe and orderly fashion, weighing the social and economic benefit of the event with the general public's well being, oversight for all Special Events is the responsibility of the Special Events Committee. This committee is a formal group made up of various City departments that support and regulate special events.

The underlying framework the Special Events Committee uses in its decision regarding an application for a special event permit is based on the policies and procedures found in this document.

GUIDING POLICIES

1. It is the policy of the City of Alexandria, as implemented through related adopted policies and procedures, to recognize the substantial community benefits that result from special events. These events provide cultural enrichment, promote economic vitality, enhance community identity and pride, and provide opportunities for fundraising for the community's nonprofit agencies. To promote these objectives, at times it is appropriate within appropriated funds for the City to bear all, some portion, or no portion of the costs. Cost sharing must be done in a fair and reasonable manner.
2. Partnerships between the City of Alexandria, event sponsors and the community are valuable in ensuring successful events. The City of Alexandria recognizes that events require logistical support and commitment from the sponsoring entities and that the City requirements may represent a significant portion of an event's costs. When setting fees and conditions for events, the City will consider impacts on the event's costs while balancing the City obligation to protect public health, safety, and financial oversight obligation to the citizens of Alexandria. In general, special events should provide full cost recovery to the City.
3. Outside entities receiving financial assistance for Special Events from the City are required to provide the Special Events Committee with a business plan and/or provide a full disclosure of all expenses and revenues related to the event.
4. It is the intention of staff to seek private and corporate sponsorships that help to offset the cost of City funded and co-funded events, programs and activities, so that these events move towards becoming cost neutral to the City.
5. It is the policy goal of the City to have successful cost-effective special events that enrich and enliven the community and provide opportunities for the use of volunteer services from the volunteer agencies and organizations where deemed feasible and practical, and where cost savings will be achieved that will not negatively impact public health and safety.

MANAGEMENT OF SPECIAL EVENTS

The Special Events Committee is authorized to carry out the provisions of the special events policies and City Codes. In order to assure working representation from all appropriate segments of the City government and to provide effective deliberation of all impacting events, the Special Events Committee consists of members from various City departments that support and regulate special events.

Special Events Committee Members – Agency Representatives

One representative each from the RPCA Senior Management Group (Chair), RPCA Special Events Office, RPCA Park Operations, Police, Fire/Code Administration, Fire/Emergency Services, Planning and Zoning, T&ES Transportation Division, T&ES Environmental Quality, Health Department, Public Schools, DASH, Risk Management, General Services, Office of Historic Alexandria, and Alexandria Convention and Visitors Association.

The chair of the Committee is designated by the City Manager. The Special Events Committee is currently chaired by a staff member of the Department of Recreation, Parks and Cultural Activities. The City Manager grants the Committee chair the authority to resolve Committee disputes and/or determine whether or not it is necessary to consult the City Manager about certain issues before the Committee. The chair ensures that Committee records are maintained, meeting times and places are scheduled, and special events permits, if approved, are issued by the committee.

Representatives from the Finance Department and OMB are available as necessary to advise the Committee on budgeting and accounting procedures and policies.

The Special Events Committee is authorized to:

1. Interpret and administer City and State policy and code with input as needed from the City Attorney;
2. Represent the City, under the authority of the City Manager, in discussions and in maintaining agreements or contracts with the person(s) who represent the special event;
3. Coordinate with City departments and with other government agencies for the provision of governmental services for such special events;
4. Establish the terms and conditions, appropriate fees, time, place, and manner of the special event;
5. Ensure that businesses and residents are notified in advance about events that impact them;
6. Approve or deny a special event permit;
7. Develop an appeal process to the City Manager for an event which is denied a permit; and
8. Make recommendations to the City Council and the City Manager in regard to special events policies and practices

EVENT CLASSIFICATION & COSTS

Classification of Special Events

City Funded Special Events

Events that are created, planned, and implemented by City Departments or Agencies. Funding for City sponsored events is reviewed annually during the budget process. City staff are encouraged to seek event sponsorship by outside entities as well as charging participation fees to reduce costs. Departments must cover the expense of another agency if not included in their agency budget. Permit fees are to be waived for events falling in this category. Although events may continue to be classified as City sponsored, seeking private and corporate sponsorships is encouraged. Each event shall be assessed by the Special Event Committee as to its overall quality, cost and community benefits and changes made accordingly.

City Co-Funded Special Events

Events that are created, planned, and implemented by non City Agencies. Support for the co-sponsored events may include in-kind services from City staff based on regular staff hours, waiver of some permit fees, and/or financial support limited to funds approved in City's annual budget. Cost recovery expenses are to be paid to City agencies and include staff overtime, supplies and materials, and other direct expenses.

Non-City Funded Special Events

Events that are created, planned, and implemented by non City Agencies. The City does not provide financial support for these events and expects to be reimbursed for all costs associated with the activity including over time expenses, supplies and materials, and permit fees.

Parades

Currently there are three parades approved by City Council to be held annually in the Old Town area of Alexandria. Each of the parades provides a unique contribution to the City by promoting community identity and providing cultural enrichment.

Cost Sharing

The Committee re-evaluates each event’s financial support status each year, prior to the event’s next occurrence, in order to determine what category the event should be placed in for cost recovery purposes. As appropriate on a case-by-case basis, the City will transition (see chart below) from Model I to Model II, or from Model II to Model III

Model	Who Manages	Who Pays the City’s Cost?	
		City	Other
I. City Funded	City	100%	0%
II. City Co-Funded			
a. Entity gives \$ to City	City	Shared	
b. City provides funding or limited in-kind contribution to Entity	Outside Entity	Shared	
III. Non-City Funded Entity	Outside Entity	0%	100%
IV. Parades	FY10	70%	30%
	FY11	50%	50%

APPLICATION PROCESS

A special events permit must be obtained from the City to stage a special event. The following procedures apply:

1. Application Submittal:

- 1.1. A notice of intent shall be submitted to the City Special Events Committee by the special event applicant/sponsor/co-sponsor. Applications not completed in full will not be processed and will be returned to applicant. The notice of intent shall be filed at least 180 days for new events or change of venue but not less than ninety (90) days for reoccurring events prior to the date of the proposed event to allow adequate review time. In special and unusual circumstances, the City Manager may waive the above time frames. First time events are encouraged to list several options for location, route, date, time and a site map with the City special events application.

2. Committee Review

- 2.1. The Committee shall review the notice of intent and determine if the event can be accommodated. The Committee shall meet with the applicant/sponsor to review the completed package of information on the proposed event, including a tentative site plan and activities involved with the event.
- 2.2. If the event is new or changes from past venue, or date changes, a notice may be required to affected businesses/residents (to be determined on a case-by-case basis by the Committee) along with a request for written comment for a period of sixty days (60) prior to the event. The Committee shall meet with the applicant to discuss comments received and possible conditions and fees.

3. Additional Permits

- 3.1. After meeting on possible conditions/fees the applicant shall apply for the formal special event permits if wishing to proceed with the event; i.e. health, noise, street, park, ABC, school use, facility use, Fire Code and Fire Emergency Management Services.

4. Committee Approval

- 4.1. The Committee shall make a decision on the application and set any conditions and fees, in accordance with policy with the understanding that all Department specific permit requirements shall be met by the applicant thirty (30) days prior to the event date.
- 4.2. Any changes to the approved plans, including but not limited to the event: date(s), time(s), and location/route, must be approved by all Committee members. Request for changes shall be submitted to the Committee for review and comments no less than thirty (30) days prior to the event.
- 4.3. Once the applicant meets all requirements and has shown proof of permits, the Committee will issue a Special Event Permit.

Late Applications

Any application received after the deadlines established is a late application. The City Manager or designee shall not accept late applications unless he or she finds that:

1. The proposed special event is in response to an occurrence whose timing did not reasonably allow the applicant to file a timely application; or
2. The imposition of the time limitations would place an unreasonable restriction on the free speech rights of the applicant.

If the City Manager or designee finds both of the above conditions to exist, he or she shall accept the application and process, unless it does not meet the criteria set forth in the application process permit process section, or there is insufficient time for the City to make the necessary preparations for permit filings, staff availability or other public safety matters prior to the proposed date of the special event.

APPROVAL

Requirements to Obtain Approval

In deciding whether to approve, approve with conditions, or deny a permit, the Special Events Committee shall determine:

10. Events will not be approved to be held in Founders Park;
11. The number of foot races in Old Town is limited to those approved by council.
12. The event as proposed shall not severely impact the quality of life within the area it is being held.

The Committee shall issue a permit for a special event unless it is determined that one or more of the following conditions exist:

1. The application is incomplete;
2. The applicant has not tendered the required application fee, deposit, or insurance certificate and endorsement, unless such tender has been waived;
3. The information contained in the application, including supplemental information provided if any, is found to be false in any material respect, the purpose of the event is contrary to law, and/or the applicant has failed to meet the City requirements for a permit;
4. A prior application for a special event to be held at the same time and place has been received or granted;
5. The special event will unduly interfere with vehicular ingress to, egress from, or travel on a road, state designated highway, or major arterial collector street of the City;
6. The special event will unreasonably interfere with fire or police protection, including presenting a substantial traffic or safety hazard;
7. Event size or durations will require diversion of so great an amount of City safety services that providing minimum levels of safety services to other areas of the City will be jeopardized;
8. The security arrangements that have been made are inadequate;
9. One or more of the applicants or persons whose name is shown on the application was also named on an application for a special event in the City of Alexandria that resulted in a violation within the twelve months preceding the current application;

11. The applicant or the organization on whose behalf the application is submitted has, on prior occasions, damaged City property and has not paid in full for such damages, or has other outstanding and unpaid debts to the City of Alexandria;
12. The applicant is legally incompetent to contract or to sue and be sued; and
13. The applicant fails or refuses to comply with any permitting requirement or conditions of approval.

The applicant shall be notified in writing of the action by the Committee with respect to the application as early as possible but no less than thirty (30) after receipt of the completed special events permit application.

Conditions Authorized and Additional Permits

The Committee may include in a special event permit, among other provisions, reasonable terms or conditions as to the time, place and manner of the event; compliance with health and sanitary regulations, emergency services, and security. Additional permits may be required to meet the conditions established by the special event permit, and/or other Federal/State/City/ codes.

In order to accommodate other concurrent events, the rights of abutting owners and the needs of the public to use parks, public property, or streets and rights of way, the conditions may include, but not be limited to, reasonable adjustments in the date, time, route or location of the proposed event; accommodations of pedestrian or vehicular traffic using the street; and limitations on the duration of the event.

Revocation of Permit

If the special event is to be held on public property, the City Manager or designee may revoke the special event permit at any time he or she determines that as a result of inclement weather, conduct of the special event would unreasonably damage the public property for which it is proposed and if he or she determines that any provision of any condition of the permit has not been met or is being violated. A decision by the City Manager or designee to revoke a permit is final.

Appeals

An applicant may appeal the denial of an application or permit conditions made by the Committee to the City Manager within thirty (30) days of receiving the notice. The City Manager or designee shall act upon said appeal promptly, but in no event later than the date and time of the proposed special event.
