Network dentists file claims for you.• Since network dentists offer special rates for covered services, your share of the cost is usually lower.
Out of network It's flexible.	Go to any licensed dentist outside the network.	<ul style="list-style-type: none">• Dentists who aren't in the network may have higher rates than in-network dentists.**• You may have to file your own claim forms.

**Out-of-network benefits are paid based on usual and prevailing charges or recognized charge levels, as determined by Aetna and specified in your plan.

See if your dentist is in the Aetna Dental PPO network

There are two ways to find a network dentist.

- **Online** — visit our DocFind® directory at www.aetna.com.
- **By phone** — after you enroll, you can call Member Services at the toll-free number on your Aetna ID card.

Check the summary of benefits for coverage amounts

Each group dental insurance plan is different. Please check your summary of benefits for the details that apply to you.

Your share of the costs may include:

- **Deductible** — the dollar amount some plans require you to pay for services before coverage begins.
- **Coinsurance** — your percent share of the cost. For example, if the plan covers 80%, then your “coinsurance” will be 20% of the cost.

You may have annual and lifetime limits on coverage. And there may be age and frequency limits on certain services.
