

WHAT IS AN ABUTTING PROPERTY?

An abutting property is one that touches the property in question or directly faces (and, in the case of a corner lot, diagonally faces) the property in question.

Below is a **sample sketch** showing a hypothetical subject property and the property owners required by law to be notified. This is a sample only and is not to be used as a final authority when sending notice. If in doubt, it is advisable to provide notice to additional properties.
