SPECIAL USE PERMIT CERTIFICATE

Article XI, Division A, Section 11-510 of the 1992 Zoning Ordinance of the City of Alexandria, Virginia requires that you display this special use permit in a conspicuous and publicly accessible place. A copy of the list of conditions associated with the special use permit shall be kept on the premises and made available for examination by the public upon request.

Special Use Permit #2012-0071

Approved by Planning and Zoning: October 18, 2012

Permission is hereby granted to: Teerapong Tangjaitaweasuk

to use the premises located at: 693 N. Washington Street

for the following purpose: see attached report

It is the responsibility of the special use permit holder to adhere to the conditions approved by City Council. The Department of Planning and Zoning will periodically inspect the property to identify compliance with the approved conditions. If any condition is in violation, the permit holder will be cited and issued a ticket. The first violation carries a monetary fine. Continued violations will cause staff to docket the special use permit for review by City Council for possible revocation.

SUBJECT: Special Use Permit #2012-0071
Administrative Review for Minor Amendment
Site Use: Restaurant
Applicant: Teerapong Tangjaitaweek
Location: 693 N. Washington Street
(Parcel Address: 615 N. Washington Street)
Zone: CRMU-X / Commercial Residential Mixed Use (Old Town North)

Request

Special Use Permit #2012-0071 is a request for a minor amendment to add on-premises alcohol and delivery service and to change ownership of the existing restaurant in the Saul Center from Wilfredo Villarreal to Teerapong Tangjaitaweek. Delivery service of food to customers will involve the use of only one vehicle. The applicant plans to serve sushi and other Asian cuisine under the trade name of "Zendo." No other changes to the operation are proposed.

Background

In May 2002, City Council granted SUP#2002-0016 to Wilfredo Villarreal for the operation of a quick-service Tex-Mex restaurant that most recently traded under the name of "Burrito Brothers." The restaurant closed in July of this year. Staff has not received any complaints that would require staff to docket the Special Use Permit for public hearing.

Parking

According to Section 8-200(A)(8) of the Zoning Ordinance, a restaurant with 50 seats is required to provide 13 off-street parking spaces. One additional off-street parking space is required for the proposed delivery vehicle, bringing the total parking requirement for restaurant, as currently approved, to 14 spaces.

Staff's study of parking in the Saul Center shows that only 13 parking spaces are available for the restaurant use in the shared retail garage areas in the complex. The applicant has agreed to eliminate two seats at the restaurant, reducing the maximum number of seats from 50 to 48, in order to add the delivery service while keeping the restaurant's parking requirement at 13 spaces.

Community Outreach

Public notice was provided through eNews, via the City's website, and by posting a placard on the site. In addition, the Old Town Civic Association, West Old Town Citizens Association, Old Town North Community Association, North Old Town Independent Citizens Civic Association and Townhomes at Portner's Landing were sent an e-mail with information about the current application. Staff has not received any comments from residents or adjacent businesses that would require staff to docket the Special Use Permit for public hearing.

Staff Action

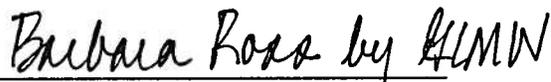

Staff supports the applicant's change of ownership and minor amendment requests. The proposal to add on-premises alcohol service and one delivery vehicle are minor changes that eligible for minor amendment approval pursuant to Section 11-511(A)(2)(b)(ii), since these operational elements are allowed under the Administrative SUP standards for new restaurants. Staff has carried forward many of the existing SUP conditions, but has made a few changes to allow for alcohol and delivery service, to delete a duplicate condition, and to add a few conditions that are now standard for SUP requests. Staff has also captured the reduction in seating from 50 to 48 seats in Condition #2, which the applicant has agreed to in order to accommodate the delivery vehicle while maintaining the same 13-space parking requirement as the prior restaurant use.

Staff hereby approves the Special Use Permit request.
