**Background**

The Mutual Ice Company Station at 200 Commerce Street was constructed in 1931 as a retail ice distributor for Alexandria residents. City records show that the business operated until sometime between 1942 and 1945, coinciding with the growth in refrigerator use.
On June 12, 2010, City Council approved SUP #2010-0019 for a gelato restaurant with indoor and outdoor seating. City Council subsequently approved SUP #2011-0081 on February 25, 2012, for an extension of SUP #2010-0019 which failed to open within 18 months of the date of initial approval. The business never opened and the SUP expired on August 25, 2013. Staff administratively approved SUP #2017-0095 on October 17, 2017, for a restaurant with indoor and outdoor seating. Again, this business never opened, and the SUP expired on February 19, 2019. There have been no zoning violations at the site.

Parking
The subject property is located within the Central Business District (CBD). Restaurant uses located within the CBD are exempt from parking requirements pursuant to Section 8-300(B) of the Zoning Ordinance.

Community Outreach
Public notice was provided through eNews, via the City’s website, and by posting a placard on the site. In addition, Upper King Street Civic Association, Braddock Station Civic Association, West Old Town Citizens Association and Old Town Civic Association were sent an email notification of the current application. Staff did not receive any comments regarding the application.

Staff Action
Staff supports the applicant’s request for a restaurant at this location. The proposal would fill a vacant commercial space in a unique, historic building in the Central Business District. Staff has included standard restaurant conditions in the SUP report.

Staff hereby approves this special use permit request.
