SUBJECT: Special Use Permit #2019-0071
         Administrative Review for Special Use Permit for a Change of Ownership
Site Use: Restaurant
Applicant: Hinata Japanese Restaurant
Location: 909 North Saint Asaph Street
Zone: CDD #25 – ABC-Giant / Old Town North

Request
Special Use Permit (SUP) #2019-0071 is an administrative request to change the ownership of a new tenant space that will be used as a restaurant from Giant Alexandria E & A, LLC to Hinata Japanese Restaurant. The business will operate under the name, Hinata Japanese restaurant. The applicant is not proposing any changes to the conditions outlined in the umbrella SUP #2016-0001. The hours of operation shall be between 11:30 a.m. and 9:30 p.m., with a break where the restaurant would close from 2:30 – 5 p.m., Monday – Saturday and from 4 – 9 p.m. on Sundays.

There shall be 61 indoor seats and the restaurant would sell on-premises beer and wine. No delivery or live entertainment is proposed.

Background
In 2016, City Council approved SUP #2016-0001, granting an umbrella SUP for specific commercial uses, including restaurants. The SUP was also part of City Council approval of DSUP #2015-0019 for the construction of a mixed-use building that includes a 481-space underground parking garage and tenant space for commercial uses, such as those outlined in SUP #2016-0001. The SUP outlined conditions for specific uses within the building. Special Use Permit changes of ownership from the building owner to individual business applicants were authorized through SUP #2016-0001. This SUP application is the first to occupy this tenant space.

Parking
The parking for all commercial uses in the development have been accounted for in the 481-space, underground garage that covers the entire block. The garage is designed to provide separate parking for the uses in the building with the more convenient parking on the first level available for the commercial uses.

Community Outreach
Public notice was provided through eNews, via the City’s website, and by posting a placard at the site. In addition, the Northeast Citizens Association, North Old Town Independent Citizens
Association and Old Town North Community Partnership received notification of the SUP request. Staff has not received any comments or concerns related to the request.

**Staff Action**
Staff finds the change of ownership request to be reasonable given that a restaurant is permitted under the umbrella SUP conditions for the new mixed-use building at the site. The restaurant operating as Hinata Japanese Restaurant will provide convenient access for the building’s residential tenants as well as the residents and office employees in the Old Town North neighborhood.

The conditions from umbrella SUP #2016-0001 for general commercial uses have been carried forward. Conditions #9 and #19, referencing the former parking program, Local Motion, have been deleted and replaced with Conditions #29 and #30, respectively, which address the current Go Alex parking program.

Staff hereby approves the Special Use Permit request.
