SUBJECT: Special Use Permit # 2015-0117
Administrative Review for Change of Ownership
Site Use: Restaurant
Applicant: W-LCP Alexandria VII, LLC
Location: 1767 King St.
Zone: KR: King Street Urban Retail

Request
Special Use Permit #2015-0117 is a request to change ownership of an existing restaurant (King Street Tavern, formerly Seagar’s Restaurant) at 1767 King Street, located inside the Hilton Hotel, from LNR Alexandria Limited Partnership to W-LCP Alexandria VII, LLC. No other changes to the business are proposed and the applicant plans to continue operating as a full-service restaurant for Hotel guests and community patrons.

Background
In September 1997, City Council granted Special Use Permit #97-0092, with site plan for the development of a hotel and a reduction of off-street parking. The approval anticipated the hotel would include a restaurant with outdoor dining and a separate SUP would be filed for the restaurant at a later date. The restaurant use was approved by City Council on January 22, 2000 through SUP #99-0155 which granted the operation of a restaurant with indoor and outdoor seating and limited indoor entertainment. On March 17, 2000, City Council completed a review of the restaurant’s compliance with special use permit conditions and granted permission for continued operations (SUP #2001-0003). On November 21, 2001 City Council approved a special use permit to expand the existing restaurant to allow outdoor live entertainment (SUP #2001-0098). A recent SUP inspection revealed compliance with all SUP conditions.

Parking
The restaurant is located within the King Street Transit Parking District which encourages a mix of uses and Metro ridership. In this District, a restaurant within a hotel building which is smaller than 10,000 square feet is not required to provide any parking other than what is required for the hotel (Section 8-400 (B) (8)), at roughly 2,330 square feet the hotel restaurant does not require parking. Currently the hotel provides approximately 300 parking spaces in the public parking garage beneath the hotel which provides parking for employees, hotel guests, and visitors.
Community Outreach
Public notice was provided through eNews, via the City's website, and by posting a placard on the site. In addition, the Royalton at the King Street Metro Condominiums, Old town Village Condominiums, Old Town Village Homeowners Association, the Upper King Street Neighborhood Association, and the Old Town Station Owners Association were sent an e-mail with information about the current application.

Staff Action
Staff supports the applicant's request for a change of ownership for the restaurant use. The proposal is consistent with the site's use as restaurant providing dining options for hotel guests and residents. The continued operation of a street level restaurant supports the objectives of the King Street Retail Strategy by providing activity on the ground floor that enlivens the surrounding area and by providing a use that caters to visitors and residents, alike.

Staff has carried forward all conditions of previous SUP approvals regarding operations, limitations on outdoor dining and music, parking, and public transportation for employees. Staff added Condition 19 to ensure hotel staff is aware of the conditions of the SUP and to prevent the sale of alcohol to minors. Condition 20 was included to regulate the proper disposal of waste products. Condition 21 sets hours for deliveries, loading and unloading activities while Condition 22 prohibits outdoor speakers and amplified noises.

Staff hereby approves the Special Use Permit request.
