SUBJECT: Special Use Permit #2009-0060
Administrative Review for New Use
Site Use: Restaurant
Applicant: Del Ray Pizzeria, LLC
Location: 2216 Mt. Vernon Ave
Zone: CL / Commercial Low

Request

Special Use Permit #2009-0060 is a request to operate a new pizza restaurant with 32 indoor seats and 12 outdoor seats. The applicant seeks to operate the restaurant from 10:00am to 11:00pm Sunday-Thursday and 10:00am to 12:00 midnight Friday and Saturday. The applicant will offer full wait service at preset tables with menus and non-disposable silverware. On-premises alcohol service will be offered only. One delivery vehicle is proposed, which will be parked off-street in the parking area behind the building.

Background

In 1989 staff administratively approved SIT#87-0032 for the construction of the Potomac Town Square office complex to the south and for site improvements to the existing office space on the subject property. The prior tenants in this space were a title company and a consignment shop.

Parking

The Zoning Ordinance requires a restaurant located in the Mount Vernon Urban Overlay zone with 32 indoor seats, 12 outdoor seats, and one delivery vehicle to provide nine off-street parking spaces. Nine off-street parking spaces are provided behind the building as required in SIT#87-0032.

Community Outreach

Public notice was provided through eNews, via the City's website, and by posting a placard on the site. In addition, the Del Ray Citizens' Association was sent an e-mail with information about the current application. Staff received dozens of emails of support from residents of the Del Ray community. Staff has not received any complaints from residents or adjacent businesses that would require staff to docket the special use permit for public hearing.

Staff Action

Although the applicant originally applied for this Administrative SUP in October 2009, the application required multiple revisions and additional information regarding parking and outdoor dining. With these revisions and additions, staff supports the proposal and finds that the proposal is consistent with the Administrative Special Use Permit standards. Staff hereby approves the Special Use Permit request.
