SUBJECT: Special Use Permit #2015-0016
Administrative Review for New Use
Site Use: Massage Establishment
Applicant: Deasy Kusumiati
Location: 419 South Washington Street
Zone: CL/Commercial Low

Request

Special Use Permit #2015-0016 is a request to operate a new massage establishment, referred to as Bali of Alexandria, in a two-story rowhouse at 419 South Washington Street. The establishment would occupy a 132 square foot room that includes a waiting area and two massage therapy tables. Hours of operation would be 9 a.m. to 8 p.m., daily. Two massage therapists would be available for individual appointments and up to five clients are expected each day that the establishment would be open. An aesthetician and travel agency are commercial tenants in the building. A residential apartment is located on the second floor.

Parking

Pursuant to Section 8-200(A)(17) of the Zoning Ordinance, a massage establishment is required to provide one off-street parking space for every 400 square feet of tenant space. To adhere to this regulation, the applicant must provide one parking space, which is available behind the building.

Community Outreach

Public Notice has been provided through eNews and the City's website. Additionally, notification of the proposed new business has been sent to the Old Town Civic Association, Old Town Business and Professional Association, the Tannery House Condominium Association, and the Tannery Yard Homeowners Association. Staff has not received comments from residents or adjacent businesses regarding the application.

Staff Action

Staff supports the SUP request for a new massage establishment at 419 South Washington Street. The applicant's proposed business would be a relatively small operation with no more than two employees and five clients each day. As a result, impacts from noise and odors on the adjacent businesses and the resident are not anticipated.

Standard conditions have been included to address matters such as hours of operation, litter, and public transportation options. Staff hereby approves the Special Use Permit request.
