

The following information must be furnished to the Department of Planning and Zoning to determine if the current use conducted on the premises complies with the special use permit provisions and all other applicable codes and ordinances.

1. Please describe prior special use permit approval for the subject use.

Most recent Special Use Permit # 2001-009

Date approved: 05 / 01 / 2001  
month day year

Name of applicant on most recent special use permit Greater Shiloh Baptist Church  
Use Church

2. Describe below the nature of the *existing operation in detail* so that the Department of Planning and Zoning can understand the nature of the change in operation; include information regarding type of operation, number of patrons served, number of employees, parking availability, etc. (Attach additional sheets if necessary.)

Currently the VTMBBC congregation seating capacity is 155 with 5 persons per car. On-site the parking spaces total 18, plus 32 off-site spaces are available for use by VTMBBC, via a written agreement, with Burke & Herbert Bank (B&HB) -- see attachment. Note: B&HB uses the VTMBBC 18 parking spaces Monday through Friday during their normal business hours.

The VTMBBC holds weekly rehearsal and bible study, in addition to its regular Sunday morning worship service.

**3. Describe any proposed changes to the business from what was represented to the Planning Commission and City Council** during the special use permit approval process, including any proposed changes in the nature of the activity, the number and type of patrons, the number of employees, the hours, how parking is to be provided for employees and patrons, any noise emitted by the use, etc. (Attach additional sheets if necessary)

Condition #2: Reduce off-site parking requirement. Modify off-site parking to fit current VTMBBC membership. The congregation growth projected in 2001 has not happen; therefore, no additional parking is required off-site as anticipated or as described in the permit approved 05/01/2001. VTMBBC has 18 on-site spaces and 32 off-site spaces available for use due to a written agreement with Burke and Herbert Bank (B&HB) -- see attachment. Additionally, VTMBBC has a written agreement with AMPP to use its parking off-site on the "as needed bases" for scheduled special events at VTMBBC -- see attachment.

Condition 4 & 5: Remove shuttle requirement for off-site parking at AMPP since project growth do not occur and VTMBBC shuttle is no longer needed. Note: The 8 on-site spaces and 32 off-site spaces available for use due to a written agreement with Burke and Herbert Bank (B&HB) is sufficient parking for the current membership.

Note: VTMBBC is working with Alexandria City Park & Recreation Rep to obtain an agreement for use of the soccer field behind the church and use up to 15 parking spaces as off-site alternative on the "as needed bases" for scheduled special events at VTMBBC when the field is not in use.

This agreement, entered into on this 26<sup>th</sup> day of September, 2014, between Victory Temple Missionary Baptist Church, 2762 Duke Street, Alexandria, Virginia, 22314, and Burke & Herbert Bank & Trust Co., 2836 Duke Street, Alexandria, Virginia, 22314, is for the purpose of cross parking between the church and the bank.

This agreement lays out the specific parking spaces and times permitted to be used as scheduled below, without additional permission from either entity. Any parking outside of these times will require prior approval between the entities.

Victory Temple Missionary Baptist Church is granted permission to use the twenty-six parking spaces on the south side of the rear parking lot of the bank, together with the eight spaces, which are two rows of double stacked spaces on the east side of the rear lot, closest to the entry into the lot, between the island and parking for bank vehicles. These spaces will be available on Sundays from 9:00 am to 9:00 pm and on Wednesdays from 7:00 pm to 9:30 pm, however, other cars parked in those spaces during the above referenced times, belonging to anyone other than the church, will not be subject to towing as the bank will, from time to time, have employees working. Should the church need to use parking at any other time, prior permission must be granted by the bank, to be coordinated through the bank's Facilities officer (703-837-3854).

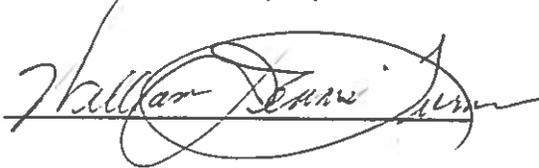

The bank is permitted the use of Victory Temple's onsite parking at 2762 Duke Street during weekday hours from 7:00 am to 5:00 pm Monday through Friday, for its employees.

Victory Temple agrees to: 1) Expand the use of their security to provide property surveillance and traffic control to the bank's facility during their usage of the bank's parking spaces, 2) Expand their snow removal contract to include the entire rear parking lot of the bank at 2836 Duke Street during agreed upon use, 3) To extend their liability coverage to include the bank during the times that they use the parking facilities.

This agreement is subject to cancellation by either party with 30-days' notice to the other party, without cause.

Dear Mrs. Fitzgerald,

Please see the enclosed application for a minor amendment form for a parking reduction to our current parking contract at your medical facility located at 2700/2800 Duke Street, as per our conversation on February 10, 2016.

Victory Temple Missionary Baptist Church (VTMBC) would like to utilize your parking facility on the "as needed" bases and to adhere to the current contractual details regarding: days of usage and the applicable time frames.

VTMBC would notify you with a minimum of 30 days of a planned event in order for you to determine the cost for said usage. We are very pleased with the established relationship we have with you for 15 years and will continue our parking privileges at your facility as scheduled events occur.

Our current seating capacity is "155" and the city Planning and Zoning Department considers "5" persons per parking space, we should only require a maximum of 13 up to 15 parking spaces at your facility again on an "as needed" bases and upon your determination of the cost thereof.

Once approved by Alexandria Code Enforcements we would like the amendment to be effective on October 1, 2016, most importantly, if you have no objections. This amendment is within the statues and confines of the Alexandria Department of Planning and Zoning.

We thank you in advance for your consideration in this matter, and if you need any additional information prior to making a decision, please contact me at your earliest convenience.

Very Respectfully,

Good afternoon Mrs. Brandt Vorel,

It was a pleasure to speak with you this afternoon. As we discussed Burke and Herbert Bank has had a long standing relationship with Victory Baptist Church with regards to parking in our lots at 2836 Duke Street. We allow the church to park on our lot during the hours we are not open for business this is typically Monday through Friday after 5pm until 10:00 pm at night longer if necessary but off the lot by 6:00 am the following day.

We also allow them to use the lots on the weekend as well Saturdays from 1:00pm until 10:00pm and Sundays from 9:00 am until 9:00pm.

Please let me know if this is satisfactory to meet the churches' information you require?

Best regards,
