Background
City Council has approved Special Use Permits to accommodate daycare facilities and private academic school operations in a wing of the Farlington Presbyterian Church. In 1954, City Council approved SUP #145 which approved a half-day daycare and private school. In 1968, SUP #743 was approved to allow a full day school program to operate. SUP #2223 was approved in 1989 expanding the daycare operations to operate three days a week for half the day. SUP #2223 was amended by SUP #1995-0147 to allow for a five day school and daycare operation. In 1998, City Council approved SUP #1998-0013, amending the hours of operation. SUP #2007-0022 approved the expansion of the private school to teach computer and job skill classes to adults in the education wing. In 2015, City Council approved SUP #2015-0010 to allow a combined daycare and private school to operate with up to 78 students from pre-school age through fifth grade to operate in six classrooms on two floors of the education wing at the Farlington Presbyterian Church. Soon after in 2016, SUP #2016-0058 was approved to expand the private school by an additional classroom, totaling seven classrooms.

Staff has not received any complaints that would require staff to docket the special use permit for public hearing.

Parking
Section 8-200 (A) of the Zoning Ordinance requires an elementary school to provide one parking space for every 25 students and a day care to provide two parking spaces per classroom. With three daycare classrooms, and 42 school age children, the use will be required to provide 8 parking spaces. The school exceeds this by reserving 12 spaces exclusively for the school and daycare use, and allowing access to 117 spaces in the church parking lot.

Community Outreach
Public notice was provided through eNews, via the City's website, and by posting a placard on the site. In addition, the Seminary Hill Association was sent an e-mail with information about the current application. Staff has not received any comments from residents or adjacent businesses that would require staff to docket the special use permit for public hearing.

Staff Action
Staff does not object to the minor amendment request. Staff hereby approves the Special Use Permit request.
