SUBJECT: Special Use Permit #2017-0058
Administrative Review for Minor Amendment
Site Use: Restaurant
Applicant: Batjargal Tserendolgor
Location: 222 North Lee Street
Zone: CD / Commercial Downtown

Request
Special Use Permit #2017-0058 is a minor amendment request to add alcohol sales to a 15-seat restaurant. The applicant does not propose any other changes to the operation.

Background
The subject site is an approximately 2,500 square foot building constructed in the 20th century and currently is host to four separate tenants who share three entrances. Tenants include two personal services, a retail store and the subject restaurant. A restaurant was first approved at this location by City Council in May 1982 for a carry out restaurant. SUP #1461A amended the previous approval to add 15 seats and increase the daily operating hours. In 1996, staff approved SUP #96-0071, for a change of ownership from Lee Street Beef Company to Jack R. Davis. Most recently in 2016, staff administratively approved SUP #2016-0078 for a change of ownership from Jack R. Davis to Tserendolgor Batjargal. On June 6th, staff inspected the site and found no violations.

Parking
The business is located within the Central Business District, and pursuant to Sec. 8-300 of the Zoning Ordinance, is not required to provide off-street parking for its customers. As such, the applicant is not required to provide any parking and, therefore, meets its parking requirement.

Community Outreach
Public not:ce was provided through eNews, via the City’s website, and by posting a placard on the site. In addition, the Old Town Civic Association was sent an e-mail with information about the current application, while the Founders Park Community Association was sent a letter regarding the application. Staff has not received any comments from residents or adjacent businesses that would require staff to docket the special use permit for public hearing. The applicant has also provided letters of support from residents who are not concerned by any anticipated impacts from on-premises alcohol sales at this location.
Staff Action
Staff does not object to the minor amendment request. On-premises alcohol sales is typical of many restaurants within the Central Business District as well as throughout the City and do not commonly result in neighborhood impacts. Staff has added Condition #27 allowing on-premises alcohol sales, and amended Condition #24 to require the applicant to inform their staff of methods to prevent underage drinking. Additionally, the relatively small restaurant has operated since 2016 and has not been subject to any SUP-related complaints. Staff hereby approves the Special Use Permit request.
