SUBJECT: Special Use Permit #2018-0074
Administrative Review for Change of Ownership
Site Use: Hotel
Applicant: HI Alexandria Lessee, LLC
Location: 625 First St
Zone: CD

Request
Special Use Permit #2018-0074 is a request to change the ownership of a hotel at 625 First Street from Carr 625 First Street, LLC to HI Alexandria Lessee, LLC. The applicant proposes to maintain the hotel name, Holiday Inn, with no changes to the business operation. The applicant will continue to operate a hotel with an internal restaurant with no off-premises alcohol sales.

Background
In 1997, City Council granted Special Use Permit #97-0127 to the First Street Limited Partnership by Charles Henry Smith for the continued operation of a hotel. A change of ownership SUP#98-0046 was granted in 1998 to AGH Leasing LP. In 1999, City Council granted a parking reduction and change of ownership SUP #99-0082 to Meristar Hospitality Operating Partner. An administrative change of ownership SUP#2007-0096 was granted in 2007 to Carr 625 First Street, LLC.

On July 11, 2018, a zoning inspector visited the subject property and found no violations of the conditions of Special Use Permit #2007-0096.

Parking
A parking reduction was approved for the hotel in 1999 under SUP#99-0082. Therefore, the hotel meets its parking requirements.

Community Outreach
Public notice was provided through eNews, via the City’s website, and by posting a placard on the site. In addition, staff sent email notifications to the Old Town North Community Association, the North Old Town Independent Citizens, the Northeast Citizen’s Association and the Old Town Civic Association. Staff has not received any comments on the request.

Staff Action
Staff views the change of ownership as a reasonable request. The applicant does not propose to
intensify operations of the hotel or internal restaurant and it is unlikely the change of ownership would generate new or amplify existing negative impacts at this site. Conditions have been carried forward from SUP#2007-000096. Staff has amended language in Conditions #4 (garage wall color), #5, (controlled access to garage) and #6 (emergency button in garage) to ensure that the applicant maintains conditions that were required at the time of development. Staff also amended language in Conditions #9 (kitchen equipment) and #23 (off-site alcohol consumption). Staff added modern-day standard conditions as Conditions #25 through #37. Staff deleted Conditions #2 (crime prevention), #8 (previous SUP parking reduction), #14 (litter receptacle payment) and #16 (Health Department review), as all conditions were previously satisfied. As the state Building Code now governs requirements for smoke-free businesses, Condition 24 has been also deleted. Staff replaced Condition #15 with Condition #30 (employee transportation options) and Condition #20 with Condition #4 (white walls in the garage).

Staff hereby approves this Special Use Permit request.
