          Administrative Review for Change of Ownership
          Site Use: Private Commercial School

          Location: 100 S. Patrick Street
          Zone: KR/King Street Retail

Request
Special Use Permit #2018-0022 is a request to change ownership of an existing commercial yoga school from Natasha Hennessy to YogaWorks. No changes to the current operations are proposed. The business would continue to offer three to four yoga classes a day and would operate between the hours of 6:30 a.m. to 9 p.m. on Monday through Friday and 9 a.m. to 6 p.m. on Saturday and Sunday.

Background
The subject property is one lot of record located on the southeast corner of the intersection of King Street and South Patrick Street. The site is developed with a two-story masonry building. This use was first approved by the City Council in SUP#2002-0102 and was later amended to increase the floor area and to add a personal training room and office space, which was approved through SUP#2004-0027.

Parking
The subject property is located within the Central Business District (CBD). According to Section 8-300 (B) of the Zoning Ordinance, private commercial schools located within the CBD are not subject to standard parking requirements.

Community Outreach
Public notice was provided through eNews, via the City’s website, and by posting a placard on the site. In addition, Old Town Civic Association was sent a written notification of the current application. Staff has not received any comments from residents or adjacent businesses.

Staff Action
Staff does not object to the change of ownership request. Staff finds the change of ownership request to be reasonable as the previous business has no recorded complaints or negative impacts and the new applicant proposes no changes to the current business operations or SUP conditions. Staff has carried over all conditions from SUP#2004-0027;
conditions have been amended and added to reflect modern condition language. Staff has deleted Conditions #5 (security survey) as it has been satisfied by the previous business owner. Staff has replaced Condition #4 with Conditions #13 and 14, which encourages the applicant to establish an employee transportation benefits program and to promote patrons use of alternative forms of transportation respectively.

Staff hereby approves the Special Use Permit request.
