SUBJECT: Special Use Permit #2019-0056
Administrative Review for a Minor Amendment
Site Use: Child Care Home
Applicant: Bright Mind Daycare
Location: 322 North Alfred Street
Zone: RB/Townhouse Zone

Request
Special Use Permit #2010-0056 is a request for a minor amendment to an existing day care center, Bright Minds Daycare, to increase the number of students from 32 to 39. No additional changes to the current operations are proposed. The business would continue to offer activities and care for children ages 2 ½ to 5 years.

Background
Meade Memorial Episcopal Church has operated at the site since 1870. Three daycare operations have received SUP approval at this site, previously. In December 1966, City Council granted approval for SUP #0696 for Hopkins House to operate a full-day daycare establishment for 45 students with 10 staff members. The Del Ray Preschool received City Council approval in 1987 for SUP #1990 for a daycare operation accommodating 44 children. Most recently, staff administratively approved SUP #2010-0064 in February 2011 for a 6-child daycare service. The applicant filed an administrative SUP application (SUP #2015-0076) in July 2015 for a daycare operation caring for 50 children. Staff received several comments regarding parking and traffic concerns from residents, however. The Director of Planning and Zoning determined that the applicant’s proposal would be docketed for Planning Commission and City Council review given residents’ concerns. The applicant modified its proposal for the full-hearing application. SUP #2016-0009 was approved in May 2016, allowing the day care to operate with a maximum of 32 students.

Parking
Section 8-200(A)(16) of the Zoning Ordinance requires daycare operations to provide 0.25 parking spaces per 1,000 square feet. With approximately 6,400 square feet, the site would be required to have two parking spaces. Uses requiring two spaces or less are exempt from providing parking.

Nonetheless, the day care center has access to 13 parking spaces in the 15-space church parking lot for the pick-up and drop off of children and the applicant also provides six off-
street parking spaces at an off-site location for the day care center employees. The vehicles of the church pastor and the day care center director would occupy two spaces in the parking lot during the daycare operating hours.

Community Outreach
Public notice was provided through eNews, via the City’s website, and by posting a placard on the site. In addition, Old Town Civic Association was sent an email notification of the current application. Staff has not received any comments from residents or adjacent businesses.

Staff Action
Staff supports the applicant’s request for a the minor increase of students from 32 to 39. The increase of students would allow the applicant flexibility in their operations and the ability to provide services to more members of the community. Staff has updated conditions to current language and Condition #3 was amended to reflect the applicant’s request.

Staff hereby approves the Special Use Permit request.
