SUBJECT: Special Use Permit #2019-0015
Administrative Special Use Permit Review for a Change of Ownership
Site Use: General Automotive Repair
Applicant: Yates Old Town Service, LLC
Location: 1201 Oronoco Street and 500, 510, 518, 520 North Fayette Street
Zone: CRMU/M – Commercial Residential Mixed Use/Medium

Request
Special Use Permit (SUP) #2019-0017 is an administrative request to change the ownership of an existing automotive repair establishment from Automotive Service Garage, Inc. by Dennis Whitestone by Dennis Whitestone and Jeffery L. Yates to Yates Old Town Service, LLC. The business proposes to continue operating as a general automotive repair shop, under the name, Yates Old Town Service, LLC. The business would continue to operate from 7 a.m. to 7:30 p.m., Monday through Friday and offer general automobile repair services including engine and transmission work, body and fender work, painting, tune-ups, and muffler repairs.

Background
The site has accommodated an automobile repair business since 1940. It became a non-complying use in 1992 after a rezoning from I-2 to CRMU/M. City Council approved SUP #2832 for an expansion of the business in 1994. It granted approval of SUP #95-0098 for a one year review of the business in September 1995. Subsequently, City Council approved SUP #2013-0037 to expand the number of vehicles it stored on site from 32 to 56. Most recently, staff administratively approved a change of ownership from Automotive Service Garage, Inc. by Dennis Whitestone to Automotive Service Garage, Inc. by Dennis Whitestone and Jeffery L. Yates. A recent SUP inspection revealed compliance with all SUP conditions.

The applicant submitted a curb cut application (TES #2016-04103) for City department review to provide vehicle access into the space at 520 North Fayette Street. The curb cut was approved and installed.

Parking
Section 8-200(A)(17) of the Zoning Ordinance requires that the applicant provides one off-street parking space for every 400 square feet of space. The applicant’s business occupies 18,800 square feet and would be required to provide 47 off-street parking spaces. The applicant exceeds its parking requirement with 87 spaces.
Community Outreach
Public notice was provided through eNews, via the City’s website, and by posting a placard at the site. In addition, the West Old Town Citizens Association, the Prescott Condominium Unit Owners Association, and the Cromley Lofts Condominium Owners Association have been informed of the application. Staff received no public comments related to the request.

Staff Action
Staff supports the applicant’s request for a change of ownership at this location. A change of ownership would not generate or intensify potential impacts arising from this use. The business would continue to provide necessary and convenient services to nearby residents.

Staff has carried forward previous SUP conditions and amended conditions to reflect current language standards.

Staff hereby approves the Special Use Permit request.
