SUBJECT:    Special Use Permit #2019-0049
            Administrative Review for New Use
            Site Use: Restaurant
            Applicant: Oswaldo A. Salinas
            Location: 3901 B Mount Vernon Avenue
            Zone:     CL/Commercial Low

Request
Special Use Permit #2019-0049 is a request to operate a restaurant at 3901 B Mount Vernon Avenue of approximately 8,820 square feet on the first-floor space. The subject lot is part of a larger site developed with a one-story building with three tenant spaces and a large parking lot to the north of the building.

The applicant proposes to operate the restaurant as a Mexican Taqueria called “Taqueria Senora Lola” and would offer a variety of tacos and other Mexican food. The applicant proposes to operate the restaurant as primarily dine-in with the option to carry-out. There are to be 99 seats located within the space and the daily hours of operation would be from 10:00 a.m. to 12:00, midnight, daily. The restaurant will offer alcohol service. There is no live entertainment or delivery proposed.

Elements of the proposal include:

**Proposed Hours of Operation:** 10:00 a.m. to 12:00, midnight

**Proposed Seating:** 99 seats

**Type of Service:** Dine-in, carry-out

**Delivery:** No delivery proposed

**Alcohol:** On-premises alcohol sales proposed

**Live Entertainment:** No live entertainment proposed

**Employees per Shift:** 6

**Noise:** Minimal noise is expected.
Odors: Minimal odors from a restaurant are expected.

Parking
According to Section 8-200(A)(8) of the Zoning Ordinance, a restaurant requires one parking space for every 1,000 square feet of floor area. A restaurant with approximately 8,820 seats is required to provide 9 off-street parking spaces. The applicant has a shared lot to the north of the restaurant that has enough spaces to accommodate the required parking. Since the peak demand for restaurant parking will occur after the other businesses in the building have closed, staff believes that the parking arrangement will be sufficient.

Community Outreach
Public notice was provided through eNews, via the City’s website, and by posting a placard on the site. In addition, Arlandria Civic Association, North Ridge Citizen’s Association, and Del Ray Citizen’s Association were sent an email notification of the current application. Staff did not receive any comments regarding the application.

Staff Action
Staff supports the applicant’s request for a restaurant at this location. A restaurant has operated previously at this location and the proposed restaurant would continue to offer a convenient and diverse food option for nearby businesses and residents.

Staff has included standard restaurant conditions in the SUP report.

Staff hereby approves this special use permit request.
