Patrick Henry Building
1111 East Broad Street
Richmond, Virginia 23219

Dear Secretary Connaughton:

In response to your letter of April 5, I want to acknowledge its receipt and to let you know that the City of Alexandria understands your and VDOT's concerns that finding a solution to improving the Seminary Road/I-395 interchange to better handle the BRAC-133 traffic has not been easy, and that full cooperation between the City and VDOT is necessary. On behalf of the City Council and staff, I pledge our utmost cooperation in working with you, VDOT staff, the public and the Department of Defense to determine and to implement the best interchange access alternative.

If at any time you or VDOT staff perceive any problem with how the process is proceeding, please let me, or City Manager Jim Hartmann, know.

Sincerely,

William D. Euille
Mayor
