

**Beauregard Small Area Plan**  
**(Abbreviated Summary of Compiled Community Comments)**  
**2-27-12**

---

**Transportation**

1. How will the ellipse work? How much will it cost?
2. What other improvements were considered at Seminary / Beauregard?
3. Where is underground parking located?
4. How wide will Beauregard be in the future?
5. Land use development appears to support Corridor C Transitway – can less density be accommodated?
6. Will Hermitage Hill apartments be affected by transportation improvements being made with the plan?
7. How does the transitway access Beauregard Street north of Southern Towers?
8. Connectivity of transportation benefits should be extended to properties east of I-395 in the plan area.
9. HOV ramp should not be built.
10. Is there adequate parking proposed for the uses in the Plan?
