Abingdon Place || 1101 N. Washington Street

DSUP2017-0014

PROJECT DESCRIPTION

Toll Brothers, Inc., has applied for a DSUP and Modifications to:

> Demolish the existing Old Colony Inn hotel and construct 19 townhouse-style multifamily units.
  - The proposed development consists of five rows of townhouses located along both site frontages and the private street that is shared with the Canal Way and Pitt Street Station residences.
  - The site will feature and increased amount of open space along the E. Abingdon Dr. frontage, improved streetscape along the site frontages and green infrastructure.

The site is bounded by townhouses (Canal Way and Pitt Street Station) to the east and northeast, Liberty Row Condominiums to the south, office buildings to the north, and E. Abingdon Drive and the George Washington Memorial Parkway (GWMP) to the west.

KEY ISSUES

Key issues that have been addressed by City Staff, the Applicant and neighborhood residents:

> Site layout
  - The siting of the townhouse rows in relation to the GWMP and the private street
  - Location and amount of open space, improved streetscape and pedestrian access through the site, and the increased use of green infrastructure to treat stormwater on-site

> Architecture and Urban Design
  - Appropriate relation to the Memorial Circle of the GWMP
  - Architectural massing, character and quality
