| **1** | March - May 2014  
Tasks: Identify stakeholders, establish Advisory Group (AG) to represent various stakeholders and community groups. Solicit feedback from AG and community members through meetings and other communication. Help facilitate AG members’ communication to the broader community and their respective groups.  
Communication: Post Civic Engagement Framework (including proposed schedule) and AG committee information to City website. Provide 2-week notice of meetings in appropriate forums (City website, flyers, eNews, social media etc.), and post agendas and meeting materials one week in advance.  
Engagement Activities:  
- Mtg 1 - Intro, background, schedule, Civic Engagement Plan, Vision  
- Mtg 2 - Field Trip to other project sites  
Deliverables:  
- Civic Engagement Framework  
- Summaries of Community Feedback and follow-up on how feedback was utilized for next steps | May - August 2014  
Tasks: Solicit feedback from AG and community members through meetings and other communication. Help facilitate AG members’ communication to the broader community and their respective groups.  
Communication: Provide 2-week notice of meetings in appropriate forums (City website, flyers, eNews, social media etc.), and post agendas and meeting materials one week in advance.  
Engagement Activities:  
- Mtg 3 - Land Use, Open Space, Community Amenities  
- Mtg 4 - Connectivity, Streets, Bldg Massing, Density  
- Subcommittee Mtgs (July/Aug 2014) - Develop and refine details of AG Vision and Principles  
Deliverables:  
- Summaries of Community Feedback and follow-up on how feedback was utilized for next steps  
- Retail and Public Benefits study summary reports  
- Interim document outlining Draft findings/recommendations to present to larger AG group | September-October 2014  
Tasks: Solicit feedback from AG and community members through meetings and other communication. Help facilitate AG members’ communication to the broader community and their respective groups.  
Communication: Provide 2-week notice of meetings in appropriate forums (City website, flyers, eNews, social media etc.), and post agendas and meeting materials one week in advance.  
Engagement Activities:  
- Mtg 5 - Review results and present Draft findings/recommendations of Principles to larger AG group  
- Mtg 6 - Finalize Draft Vision, Principles, Recommendations  
- Planning Commission Public Hearing / City Council (October 2015)  
Deliverables:  
- Summaries of Community Feedback and follow-up on how feedback was utilized for next steps  
- Transportation Study summary report  
Tasks: Solicit feedback from AG to ensure that established Principles are followed within CDD Design Guidelines, Concept Plan and DSUP  
Communication: Provide 2-week notice of meetings in appropriate forums (City website, flyers, eNews, social media etc.), and post agendas and meeting materials one week in advance.  
Engagement Activities:  
- Continued AG meetings as plans are refined (Nov 2014 - June 2015)  
Deliverables:  
- Summaries of Community Feedback and follow-up on how feedback was utilized for next steps |
Work Program
Study area in context of City
Scope of Planning Study
“The City holds open the possibility of reevaluating the area [Oakville Triangle] in the future as development occurs in the Route 1 corridor. The area may be considered as a CDD in the future.”
-1992 Potomac West Master Plan
Ownership
Open Space
Land Uses (Planned and Existing)
Max Building Heights (Existing Zoning)

Meeting #1: Introduction, Background, & Defining the Issues 4.29.2014
Building Heights

30 – 40 ft. (3-4 stories)  

40 – 50 ft. (4-5 stories)  

50 - 60 ft. (5-6 stories)  

60 - 80 ft. (6-7 stories)
Streetscape – Connections

Raymond Avenue

Mount Jefferson Park Entrance
Streetscape – Connections

Route 1

Crystal City/Potomac Yard Transitway
Stormwater Requirements

• Impervious areas increase stormwater runoff volume, peak flow and pollution carried to local water bodies
• New Environmental Management Ordinance Requirements
  – 20% (> 1 acre of disturbance) or 10% (<1 acre of disturbance) reduction in pollution (phosphorus)
  – Treatment of the first ½” of stormwater runoff from all impervious surfaces
  – Post-development runoff peak flows must be less than pre
• Strategies for meeting requirements
  – Reduce impervious area post development
  – Install underground facilities such as sand filters or proprietary filter systems
  – Incorporate green roofs, cisterns, pervious pavement into design
Transportation Policies & Framework

- City Council Strategic Plan
- Transportation Master Plan
- Eco-City Action Plan
- Pedestrian & Bicycle Plan
- Complete Streets Policy
Crystal City/ Potomac Yard Transitway

- 5-mile corridor connecting Pentagon City, Crystal City, Potomac Yard, and Braddock Road
- First 0.8 mile segment in Alexandria currently under construction
  - 2-lane transit-only corridor with 12-ft landscaped medians on both sides
- Anticipated opening Summer 2014

Group Work: Defining the Issues

Topic Areas
Land Use – Height
Affordable Housing
Community Amenities
Open Space
Environmental Sustainability
Multimodal Connectivity
Pedestrian Environment

Questions
1. Are there additional topics to address?
2. What are the key issues within each of the topic areas that need to be addressed and resolved?
## Next Steps
