SUBJECT: Special Use Permit #2020-00026
Administrative Review for Special Use Permit for a Restaurant

Site Use: Restaurant
Applicant: Piece Out, LLC
Location: 2419 Mount Vernon Avenue
Zone: CL/Commercial Low and Mount Vernon Avenue Urban Overlay

Request
Special Use Permit (SUP) #2020-00026 is a request for a change of ownership for an existing restaurant tenant space approved by SUP 2018-00088. The change of ownership would be from Catch/Snack Bar to Piece Out, LLC. A new tenant has occupied the space where the previous restaurant, The Snack Bar, was located. The new tenant intends to renovate the space and open a new restaurant named Piece Out with no other changes to the previous approval.

The applicant proposes that all previous requirements remain the same. The use includes a total of 120 seats – 100 indoors and 20 outdoors. Indoor operating hours are proposed from 6 a.m. to 11 p.m., Sunday through Thursday, and 6 a.m. to 12 a.m., Friday and Saturday, and outdoor dining hours from 6 a.m. to 10 p.m., daily. Limited live entertainment and on-premises alcohol service is permitted. The applicant expects to serve up to approximately 150 patrons per day and will employ up to 15 staff per day.

Background
A restaurant has operated pursuant to Special Use Permits at this location since 1997 with several changes in ownership. Amendments to previous SUPs have been approved in the last 20 years, including an increase in indoor seating, the addition of outdoor seating, an increase in hours of operation, two parking reductions for a total of 12 spaces, and the permitting of on-premises alcohol services and limited live entertainment.

Parking
A 2,000 square foot restaurant within the enhanced transit area is required to provide two parking spaces and the first 20 outdoor dining seats are exempt from providing parking. Given that Section 8-100(9) provides an exemption from providing parking spaces if the requirement is two or less, the applicant is not required to provide off-street parking.
Community Outreach
Public notice was provided through eNews, via the City’s website, and by posting a placard at the site. In addition, the Del Ray Citizens Association received notification of the SUP request.

Staff Action
Staff supports the applicant’s request for a restaurant at this location given that a restaurant has operated at this site for several years. Staff finds this proposal to be in compliance with the specific standards for restaurants within the Mount Vernon Overlay, and is in accordance with the intent of the Mount Vernon Overlay, which encourages small-scale, neighborhood serving commercial uses. Staff has included standard conditions for restaurants.

Staff hereby approves the Special Use Permit request.
