DISCUSSION:

1. The applicant, 2111 Eisenhower Avenue Limited Partnership, requests special use permit approval to change the ownership, extend the hours of operation, and enlarge an existing restaurant at 2111 Eisenhower Avenue.

2. The subject property is one lot of record with approximately 174 feet of frontage on Eisenhower Avenue, 220 feet of depth and an estimated lot area of 38,280 square feet. The site is developed with a commercial building and a parking lot. Offices, a bank and a small restaurant occupy the building. Commercial uses surround the building; the new federal courthouse is directly behind it.

3. City Council has approved the following special use permits for the subject property:

<table>

<th>Applicant/Issue</th>

</tbody>
</table>

4. The current request is to change the ownership, extend the hours of operation, and enlarge an existing restaurant. The building expansion, consisting of approximately 730 square feet of floor area, will double the size of the restaurant (see attached plan) and result in the addition of 48 seats for a total of 60 seats. The area to be added to the restaurant is now a part of a covered parking lot; the addition will result in the removal of three parking spaces.

5. The restaurant serves sandwiches, daily special entrees, soups, salads and non-alcoholic beverages.

6. Proposed changes to the hours of operation are as follows:

<table>
<thead>
<tr>
<th>Current</th>
<th>Proposed</th>
</tr>
</thead>
<tbody>
<tr>
<td>7:00 a.m. to 5:00 p.m.</td>
<td>7:00 a.m. to 7:00 p.m.</td>
</tr>
<tr>
<td>Monday through Friday</td>
<td>Monday through Saturday</td>
</tr>
</tbody>
</table>

7. A maximum of six staff will operate the restaurant at any one
8. Goods will be loaded from the parking lot between 6:00 a.m. and 9:00 a.m.

9. On February 28, 1997, staff visited the subject property to determine if the business was in compliance with the conditions of its special use permit. Staff found no violations of the special use permit.

10. Sections 8-200(A)(8), 8-200(A)18, and 8-200(A)17 of the zoning ordinance provide the parking standards for the restaurant, office, and personal service (bank) uses within the building. The parking requirement for uses at the subject property is as follows:

<table>
<thead>
<tr>
<th>Use</th>
<th>Number of Seats</th>
<th>Square Feet/Standard1</th>
<th>Parking Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>Office</td>
<td>28,850</td>
<td>1/600</td>
<td>48</td>
</tr>
<tr>
<td>Bank</td>
<td>1,700</td>
<td>1/400</td>
<td>5</td>
</tr>
<tr>
<td>Restaurant</td>
<td>60 seats</td>
<td>1 per 4 seats</td>
<td>15</td>
</tr>
<tr>
<td>Total</td>
<td></td>
<td></td>
<td>68</td>
</tr>
</tbody>
</table>

Parking will be adequate for all uses at the property as there will be a total of 76 parking spaces once three spaces are removed to accommodate the restaurant renovation.

11. Zoning: The subject property is located in the OCM (100) zone. Section 401003 of the zoning ordinance allows a restaurant in the OCM (100) zone only with a special use permit.

12. Master Plan: The proposed use is consistent with the King Street/Eisenhower Avenue chapter of the Master Plan which designates the property for commercial office use.

STAFF ANALYSIS:

Staff has no objection to the proposed expansion of the restaurant at 2111 Eisenhower Avenue. It is located in a commercial area occupied by large office buildings and few restaurants. Parking is adequate and the additional space and extended hours will allow the restaurant to accommodate more patrons.
