SUBJECT: Special Use Permit #2019-0077
          Administrative Review for a Change of Ownership
          Site Use: Restaurant
          Applicant: Tsedey, LLC
          Location: 672 South Pickett Street
          Zone: CG/Commercial General Zone

Request
Special Use Permit #2019-0077 is a request for a change of ownership to operate a restaurant with accessory grocery at 672 South Pickett Street, previously known as Tsedey Abeba International, from Seifu Tessema to Tsedey, LLC. The applicant does not propose any changes to the operation and would operate it under the conditions of the previously approved Special Use Permit #2015-0134.

The restaurant and accessory grocery would continue to operate in this manner:

Hours of Operation: 8 a.m. – 12 midnight, seven days a week.
Seating: 45 indoor seats.
Alcohol: Off-premises alcohol sales are permitted.
Live Entertainment: No live entertainment.
Noise: Minimal noise is expected.
Odors: Minimal odors from a restaurant are expected.

Background
Tsedey Abeba International, a grocery store and restaurant, is located within the Pickett Street Plaza, a neighborhood shopping center constructed in 1974. The shopping center property consists of a single commercial structure divided into 11 retail bays and a surface parking lot with 109 shared parking spaces.

In 2000, the establishment opened as a grocery store, specializing in Ethiopian baked goods and spices in addition to a broad selection of grocery items. Staff administratively approved the
addition of a twelve-seat dining area as an accessory use to the grocery in 2010 through a letter of agreement with the Department of Planning and Zoning. City Council approved SUP #2013-0094 in April 2014 to increase the total number of seats to 45 and set the hours of operation between 10 a.m. and 12 midnight, daily. Most recently, staff approved SUP #2015-0134 in January 2016, which was a minor amendment to allow for an extension of the morning hours of operation to 8 a.m., daily

Parking
Section 8-200(A)(17)(a) of the Zoning Ordinance requires the applicant to provide one parking space per 1,000 square feet of floor area. The approximately 1,700 square-foot tenant space would require two on-site parking spaces which can be satisfied in the shared surface lot.

Community Outreach
Public notice was provided through eNews, via the City’s website, and by posting a placard on the site. In addition, The Cameron Station Civic Association was sent an email notification of the current application. Staff did not receive any comments regarding the application.

Staff Action
Staff supports the applicant’s request for a change of ownership at 672 South Pickett Street. The continued operation of the restaurant and grocery in the Pickett Street Plaza would allow the new owner to continue an established West End business, serving existing and new clientele. Staff has carried over conditions from the previously approved Special Use Permit, amending some to reflect present-day condition language, and deleting others that are no longer relevant.

Condition #16, requiring the applicant to inform employees about public transit and carpool options, has been deleted and replaced with Condition #24 and #25, which reference the use of GoAlex programs to promote public transportation use. Conditions that were deleted as they were satisfied by the previous restaurant owner include the following: Condition #11, requiring the applicant to complete a security survey with the Police Department; and Condition #18, requiring the applicant to pay a $500.00 fee to the Streetscape Beautification Fund.

A five-year administrative review for compatibility of the use was required in Condition #12 of SUP #2015-0134 and this review was recently completed. In the five-year review, the Director of Planning & Zoning found that the restaurant and accessory market use were compatible with the neighborhood and area redevelopment and approved the continuation of the SUP until at least the City Council review in November 2023. Condition #12, therefore, has been amended to remove the reference to the five-year administrative review.

The five-year administrative review also identified that a stream restoration master plan for Backlick Run, to the south of the subject site, would be developed by the Department of Recreation, Parks and Cultural Activities and would involve the property owner of the commercial center in the planning process.

Staff hereby approves this special use permit request.

of the use and that new or revised conditions are needed. (P&Z) (SUP2006-0037)

Contact Go Alex at goalex@alexandriava.gov for more information about available resources. (P&Z)
