QUESTIONS FOR FEEDBACK ON PROGRAMMING AND ART/HISTORY

1. What programming, art and history would you like to see?
2. Based on the presentations, are these located in the right places?
3. Are there any Program, Art or History elements you do not want in a particular location or at all?
4. Did we forget anything?
5. What programming and activation elements and art and history interpretative elements must be included in order for the Waterfront to be successful?
