

BRADDOCK METRO NEIGHBORHOOD PARK City of Alexandria, VA

Saturday, May 30: Community Meeting 9:00 am – 11:30 am

Purpose of Meeting

The purpose of the May 30th event is to provide the Park Designers (Andropogon Associates, <https://www.andropogon.com>) with an opportunity to walk the site of the future 1-acre community park with the Braddock IAG and community. They have been provided with all of the Park Principles and community feedback that has been developed since the Braddock implementation process began. They would like an opportunity to hear directly from the community as they begin the design process.

Goals of Community Meeting

1. Introduce the design team.
2. Give an update to the project schedule.
3. Receive feedback about preliminary design ideas.
4. Capture sense of place.
5. Identify all opportunities and constraints about the site from the community while walking the site and adjacent open spaces.

Agenda 9:00am – 11:30am

Indoors (45 minutes)

1. Sign-in
2. Andropogon Design Team Introduction
3. Recap of Project Progress, Schedule and Scope of Work
4. Overview of Guiding Principles
5. Translating the Guiding Principles through Precedents and Preliminary Ideas
6. Walkshop, Broup Exercise and #BraddockNP Introduction

Site Walk (45 minutes)

1. “Walkshop”- walk with community in groups of 10-15 to review opportunities and constraints by visiting the site and neighboring open spaces

Inside (1 hour)

1. Group Exercise – Participants will test the suitability of the park for amenities of various scale
2. Distribute Meeting Evaluation Forms
3. Poster/ Precedent Feedback
4. Give overview of the day’s events
