INSTRUCTIONS ENCROACHMENT INTO RIGHT-OF-WAY APPLICATION

An encroachment is the projection of a building, structure, stoop, step, or other improvement beyond a property line into a public right-of-way such as a sidewalk, street or alley. The encroachment must be approved by the Alexandria City Council through public hearings.

FILING DEADLINE. Encroachment applications must be submitted to the Department of Planning and Zoning at least 49 calendar days prior to the scheduled Planning Commission hearing date. Call the Planning Department (838-4666) or visit alexandriava.gov/planning and zoning to obtain the proper filing deadline date. Failure to submit all required information and plans by the filing deadline will result in the application being deferred to a later hearing date.

APPLICATION FORMS. Encroachment applications must contain a certificate of insurance indicating a \$1,000,000 policy and naming the City as an additional insured. Complete the application form using black ink or type. Sign the form, and include a daytime telephone number.

Plans must be individually folded to a maximum size of 9" x 14" showing the proposed area of encroachment and in such manner that the lower right corner of the plan is on top with the plan title in view. Rolled plans will not be accepted.

NOTICE REQUIREMENTS

CITY COUNCIL AND PLANNING COMMISSION

For each application for a public hearing before the Planning Commission, City Council, the Board of Architectural Review, or the Board of Zoning Appeals (for example, for a special use permit, a certificate of appropriateness, an encroachment, a variance or subdivision approval), the law requires that notice is given so that people interested or affected by the application have a chance to express their views. *If incorrect notice is given, the request cannot be heard and must be deferred.*

Three types of notice are required:

- The City publishes notice in the newspaper prior to the hearing.
- The City also posts the property with a sign prior to the hearing.
- The third type of notice is *"written notice"* and must be provided by the applicant.

FAQ: How to provide written notice

What is written notice?

Written notice is a letter sent to the owners of those properties that abut the property that is the subject of the application. The notice describes the application before the City and gives the date when public hearings on the application will take place.

What form should I use for the written notice?

Using the attached form called "Notice of Public Hearing," fill in the blank spaces for the date of the hearings, the issue description, the property address and tax map number. Prior to mailing, date the form, sign it, and indicate your telephone number in the appropriate place so that people who receive the notice have someone to call with questions.

The *issue description* part of the notice form is very important. At the time you submit your application, you must provide a draft of the description of your request you intend to use in the notice form. You must be thorough in your description. Staff will review the draft wording to confirm its completeness.

The following *example* illustrates a description:

Request to operate a full-service restaurant with carry-out and delivery service. Seating will be offered for 40 patrons. The hours of operation proposed are 7:00 AM to 12:00 midnight, seven days a week. Live entertainment will be provided. A parking reduction of six spaces is requested.

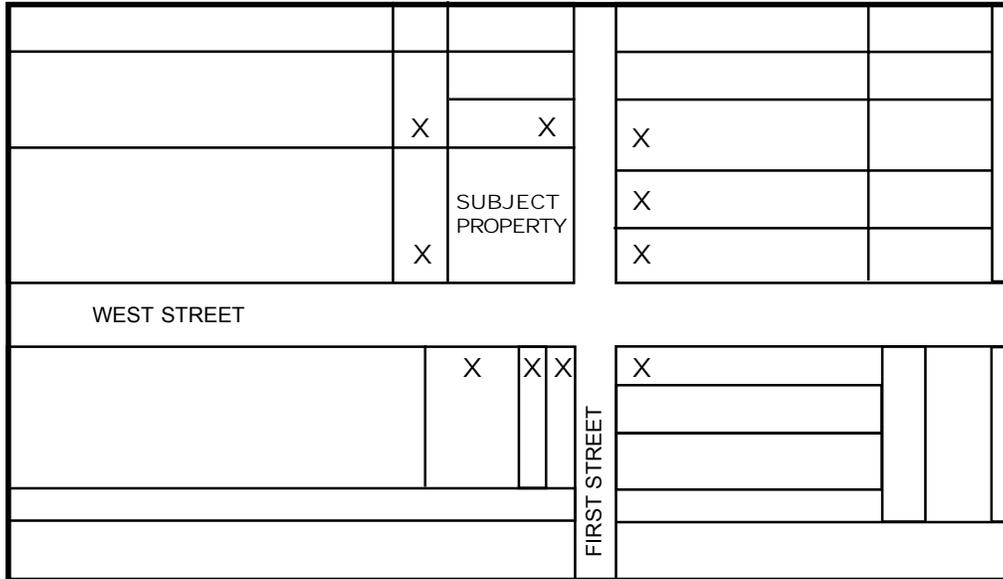

If you fail to submit draft language at the time of the application filing deadline, the application will be deemed incomplete and may be deferred by staff.

To whom must I send written notice?

Written notice must be sent to the owner of the property if the applicant is not the owner. In addition, written notice must be sent to the owner of each abutting property. An abutting property is one that touches the property in question or directly faces (and, in the case of a corner lot, diagonally faces) the property in question. See diagram on page 2.

Below is a *sample sketch* showing a hypothetical subject property and the property owners required by law to be notified. This is a sample only and is not to be used as a final authority when sending notice. If in doubt, it is advisable to provide notice to additional properties.

X = Property owners to be notified

How do I determine the abutting properties?

Consult the tax maps in the Department of Planning and Zoning or at the department's web page (http://alexandriava.gov/city/planning_zoning/gis/taxmaps.htm) . Determine the correct map, block and lot numbers of the abutting properties and use that information to fill out the appropriate spaces on the attached form called "Property Owners List."

How do I find the name and address of the owners of those properties?

Visit the web page of the Office of Real Estate Assessments (<http://realestate.alexandriava.gov>) or search the records in the Office of Real Estate Assessments on the second floor of City Hall, Room 2600. Look up the correct name and address of the property owner of each parcel you have listed on the Property Owners List. Fill in that information on the same form under "Abutting Property Owner's Name and Mailing Address."

What do I do in the case of a condominium property?

Legal notice to an abutting property that is in condominium ownership may be provided in only one of two ways:

- by sending notice to each and every condominium unit owner; or
- by sending notice to the president of the association of condominium owners.

In order to find out the proper name and address of the unit owners, you may use the records of the Office of Real Estate Assessments, as you would for any other owner of property. These records will provide the official name and address of each property owner. If you choose to avoid notice to each individual owner and wish to send notice to the condominium association president instead, then you must use other means to determine the correct name and address of the president. You may consult with the city's Department of Citizen Assistance for the name and address of the association president, but should also call the condominium or otherwise research and confirm the information yourself.

How must the notice be mailed?

Notice of the meetings must be sent by registered or certified mail only. Save the stamped receipts from the post office and a copy of the notice letter. Do not ask the post office to send the notices by restricted delivery or return receipt requested.

When must the notice be sent?

Notice of the meetings must be sent at least 10 days prior to the meeting and no more than 30 days prior to the meeting. Planning staff has a schedule with the correct dates for mailing notice prior to each meeting. Consult them for assistance.

What documents must be submitted to show that I sent notice correctly?

After you have sent the notice letters for the public hearings, the following documents must be submitted to the Department of Planning and Zoning:

- The attached Certification of Notice form, correctly filled out. This form tells the City that you have sent the appropriate form to the correct list of owners and that you have sent it at the right time. You must sign this form.
- A copy of the Notice of Public Hearing form that you sent to property owners.
- A copy of the Property Owners List, filled in with the names and addresses of the properties to whom you have sent notice.
- Copies of the certified or registered mail receipts from the post office. The receipts must be stamped by the post office.

When must the above documents be submitted?

The above documents must be submitted to the Department of Planning and Zoning by 5:00 PM of the fifth day prior to the meeting date.

Who can help me complete the notice process correctly?

If you have any questions about the notice process, staff in the Department of Planning and Zoning can assist you. Please call 703.838.4666.

If you fail to send correct legal notice as described above, the application will not be heard as scheduled. It will have to be deferred to the next scheduled hearing date so that proper notice can be sent. If it is heard, the improper notice may affect the validity of the hearing.
