Community Lodgings

Youth Education Program promotes education and self-sufficiency for homeless and low-income youth and their families. The goal of the program is to increase students' academic achievement and decrease at-risk behaviors. Parental involvement is key to our program. Because we are located directly in the communities, staff is a constant and always present resource for the parents and families.

Project Success

Project Success is a unique teen pregnancy prevention and HIV/AIDS risk reduction program that promotes positive youth development and healthy lifestyle choices for students. Project Success addresses a variety of subject matter including: HIV/AIDS prevention, self responsibility, sexual responsibility, family communication, and positive decision-making skills. The program uses multiple evidence-based curriculum: "Becoming A Responsible Teenager" (BART) & Be Proud, Be Responsible.

P W 1-3 Y M

Tenants and Workers United

Youth Educated and Active program provides space for youth of color 12-18 years of age for academic support and skill building to better manage their school work and excel in their studies. Mentors help with school assignments, essays, college applications, etc. at the Arlandria Community Center. The T.C. Williams After High School Club program works with youth to discuss community organizing for social justice including workshops on leadership development and empowerment.

Untouchables

The Untouchables are a 501(C)(3) mentor program that focuses on developing male youth into successful men who live healthy and productive lives. The Untouchables meet at Charles Houston Recreation Center every Thursday from 4:30 to 5:30 p.m. and engage in discussions, dialogues, and activities that are designed to stimulate the minds of the young men.

Urban Alliance

Urban Alliance is a youth development organization that empowers under-resourced high schoolers to aspire, work, and succeed through paid internships, formal training, and mentoring. Our interns work at a vast array of for-profit companies, non-profit organizations, and government departments. Typically high school seniors work part-time (2-5 p.m.) Monday-Thursday during the school year and attend skill-building workshops on Fridays at NVCC Alexandria Campus. After graduation, interns work full-time for 5 weeks.
