

## ALEXANDRIA CONNECTED

By KaNikki Jakarta

Stop for us

In more than one place

We're a family of one race

Different destinations

You have patience

To open doors

And wait

Watch us walk to a resting place

Connect us with our fate

You come back more than one time

You're the connecting line

Between us and work

Us and family

Us and church

Us and the way home

You've shown

Us more than one route

Keep Alexandria Moving

On these old town streets

Grooving

to the same beat

of our connections
