DOG PARKS
in your neighborhood

Department of Recreation, Parks & Cultural Activities • www.alexandriava.gov/Dogs
The Department of Recreation, Parks and Cultural Activities provides **18 Dog Parks consisting of Unfenced Exercise Areas and Fenced Dog Parks** for the convenience and enjoyment of park visitors and their dogs.
OFF-LEASH AREAS

Unfenced dog exercise areas have defined boundaries marked by bollards and are designated locations for dogs and their owners to exercise and recreate without disrupting other uses of the parks.

Dog owners who believe their pets are not safe in an open exercise area are encouraged to visit a fenced dog park.

OPEN SPACE AREAS

Dogs are welcome in public parks, not designated as a dog exercise area, but are to be kept secured by a leash. Dogs are not permitted on athletic fields or playground equipment.

The leash may be removed from a dog on private property, provided that the property owner has provided permission to the owner.

ALL DOG PARKS

Please remember that regardless of whether the dog is in an off-lead or open area, the owner must immediately remove any waste and dispose of it in a trash receptacle.

For the enjoyment of park visitors and their pets, the following rules apply at all dog parks:

• All dogs must be under the handler’s control.
• No dangerous dogs.
• Handlers must clean up after pets and place in receptacles.
• Handlers are responsible for the actions of their dog(s) and damage to facilities.
• Dogs are not permitted on athletic fields.

Complete regulations are posted at each site.

To report use inconsistent with these regulations, please contact Alexandria Animal Services at 703.746.4774.
