Other Guidelines

Fees will be determined after evaluation of the request. Maintenance, professional staff and police protection services fees will be charged when applicable.

Commercial and promotional activities in parks and facilities will be authorized only if they are deemed to provide a community benefit. They will be permitted only when they are clearly not in conflict with existing programs and restricted use does not occur for an unreasonable period of time.

The renting party assumes responsibility for damage to turf, facility, or loss of equipment, and agrees to post a deposit to pay the cost of any repair or replacement to any park, facility, or equipment. This deposit will be set according to the policy identified in the Fee Schedule.
