### **Overview of the Methodology**

Leisure Vision/ETC Institute conducted a Regional Parks Survey for the City of Alexandria Department of Recreation, Parks and Cultural Activities to help establish priorities for parks, recreation and cultural arts facilities in regional parks that serve Alexandria residents. The survey was designed to obtain statistically valid results from households. The survey was administered by mail, web and phone.

ETC Institute worked extensively with the City of Alexandria officials in the development of the survey questionnaire. This work allowed the survey to be tailored to issues of strategic importance to help establish priorities for parks, recreation and cultural arts facilities.

A three-page survey was mailed to a random sample of 4,500 households. Approximately three days after the surveys were mailed each household that received a survey also received an automated voice message encouraging them to complete the survey. In addition, about two weeks after the surveys were mailed ETC Institute began contacting households by phone. Those who had indicated they had not returned the survey were given the option of completing it by phone.

The goal was to obtain a total of at least 500 completed surveys. Leisure Vision/ETC Institute met that goal with a total of 915 surveys completed. The results of the random sample of 915 households have a 95% level of confidence with a precision rate of at least +/-3%.

The following pages summarize major survey findings.

## Major Findings:

- ❖ **Regional Parks that Respondent Households Have Visited During the Past 2 Years:** Fifty-five percent (55%) of respondent households have visited the *Cameron Run Regional Park* over the past 2 years. *A Few Minutes of Your Time Will Help Make the City of Alexandria a  
Better Place to Live, Work and Play!*

Dear City of Alexandria Resident:

***Your response to the enclosed survey is extremely important...***

The City of Alexandria Department of Recreation, Parks and Cultural Activities is conducting a Regional Parks Survey to help establish priorities for parks, recreation and cultural arts facilities in regional parks that serve Alexandria residents. Your household was one of a limited number selected at random to receive this survey, therefore, it is very important that you participate.

***I appreciate your time...***

This survey will take approximately 5 minutes to complete and each question is important. The time you invest in completing this survey will aid the City of Alexandria in making decisions that will enrich the future of our community and positively affect the lives of its residents by responding to needs that you help to identify. With your input, we will be able to improve regional parks for the community to enjoy.

***Please complete and return your survey within the next two weeks...***

We have selected Leisure Vision/ETC Institute, an independent consulting company, as our partner to administer this survey (visit [www.etcinstitute.com/LV.aspx](http://www.etcinstitute.com/LV.aspx) for information on Leisure Vision/ETC Institute). They will compile the data received and present the results to the City.

**Your responses will remain confidential.** Please return your completed survey in the enclosed postage-paid envelope addressed to ETC Institute, 725 W. Frontier Circle, Olathe, KS 66061. If you would like to take the survey over the web the address is [www.cityofalexandriaregionalparkssurvey.org](http://www.cityofalexandriaregionalparkssurvey.org).

If you have any questions, please feel free to contact Dana Wedeles in the City of Alexandria Department of Recreation, Parks and Cultural Activities at 703.746.5491 or [dana.wedeles@alexandriava.gov](mailto:dana.wedeles@alexandriava.gov). The Park and Recreation Needs Assessment Survey is a tool that will benefit all City of Alexandria residents. Please take this opportunity to let your voice be heard!

Sincerely,

William D. Euille  
Mayor

**Community Interest and Opinion Survey: *Let your voice be heard today!***

---

The City of Alexandria would like your input to help determine the use of regional parks by Alexandria residents. An inter-jurisdictional authority manages regional parks and many include various recreational attractions.

**This survey will take 5-10 minutes to complete. When you are finished, please return your survey in the enclosed postage-paid, return-reply envelope. We greatly appreciate your time!**
