City of Alexandria
Special Events Policies & Procedures
Policy for Event Sponsorship

1. PURPOSE

To establish a consistent citywide general approach to special events and establish guidelines for the manner in which the City will coordinate efforts in processing and implementing special event sponsorships.

2. SPECIAL EVENT DEFINED

A Special Event shall be defined as a celebration, gathering, meeting, program, or similar occasion, open to the public, which involves the use of parks, park areas, facilities, public rights-of-ways or any part thereof, and which may include but not necessarily be limited to entertainment, dancing, music, dramatic productions, parades, exhibitions, sports competition, sale of merchandise or food, or any combination thereof, and may out of necessity require a level of City services for its execution or conduct that is above the level provided under ordinary circumstances. This definition shall not apply to events that are political rallies, religious observances, or building or facility rentals unless such singular activities or uses are proposed as an integral part of a larger special event as defined herein.

A. City Sponsored Event

City Sponsored event shall be defined as a public event, program, or activity which is directly related to a recognized function of the City of Alexandria which is initiated, and in major part financed and executed by the City. City Sponsored events shall not include those events, programs or activities in which the City is merely listed as a co-sponsor unless the City has at least a de facto responsibility for initiation, direct or indirect financial support and/or execution. This rule shall not preclude the solicitation of co-sponsorship assistance for programs initiated by the City.

B. City Co-Sponsored Event

City Co-Sponsored event shall be defined as any public event, program or activity in which the City of Alexandria allows the use of its name and/or logo by another sponsoring organization to conduct an event as well as advertising, promotion or general public awareness. In addition to the use of its name and/or logo, the City may assist by means of in-kind services or the reduction/waiver of required fees at the discretion of the City Manager or his/her designee. Support will be determined on a case-by-case basis, generally based on assessment of the value of the event to the community or City as a whole, as limited by the availability of resources for individual City Departments.
C. City Non-Sponsored Event

City Non-Sponsored event shall be defined as any public event, program or activity conducted in the City of Alexandria that City does not lend the use of its name and/or logo to, in any manner, except as may be denoted for location of directional purposes for the public. City assistance shall be limited to permit processing, site and/or facility reservation, and normal facility/property maintenance. The sponsoring organization shall pay all fees established by Special Event Permit for use of the parks, park areas, facilities, public rights-of-ways or any part thereof including permit fees, rental charges, concession fees, grounds deposits, and the costs of additional services (i.e. utilities hookups, trash collection, security, staffing, etc.) as determined through evaluation of the permit request. Non-Sponsored events are assessed normal fees, charges, and service levels per approved City policies, as based on City resources for Departments.

3. LIMITATION TO CO-SPONSORSHIP

The City of Alexandria shall not co-sponsor any public event, program or activity where such event is being conducted primarily for commercial promotion of gain using the parks, park areas, facilities, public rights-of-ways or any part thereof. Likewise, the City shall not co-sponsor any public event, program, activity, gathering, procession, or similar function for the primary purpose of which is a political demonstration, rally, or religious observance through the exercise of the rights of assembly and free speech as guaranteed by the first amendment of the Constitution of the United States. Such events, demonstrations or parts thereof as defined herein shall be processed and permitted as Non-Sponsored events unless deemed otherwise by motion and ordinance of City Council.

4. CO-SPONSORSHIP EVALUATION CRITERIA

The following criteria shall be evaluated to determine the role and extent of any City of Alexandria co-sponsorship:

A. If the City Manager's office by Administrative Order, or the City Council by Motion or Ordinance, have declared or established a role of Co-Sponsorship by the City;
B. Whether the event, program, or activity is directly related to a recognized function of the City of Alexandria;
C. The City costs of such Co-Sponsorship meet a greater public good by providing or expanding public service;
D. The likelihood that the event will contribute positively to the recognition and image of the City of Alexandria;
E. The ability of the co-sponsor(s) to meet the requirements necessary for issuance of a Special Event Permit; and
F. The results of a reference check.
5. PROCEDURE FOR REQUESTING CO-SPONSORSHIP

A. Requesting organization shall submit a Special Event application and cover letter requesting co-sponsorship and provides details of the proposed event, including tax status with documentation, operating budget including both revenues and expenditures, letter of intent identifying the percent or dollar amount of a donation to a specified organization(s), and the merit of the request based on the criteria outlined in 4. above.

B. The Chair of the Special Events Committee will review the request and consult with appropriate staff regarding feasibility of required level of City services for the proposed event, and the criteria for evaluation of such events. The City Manager or his/her designee shall approve levels of City service outside the scope of City Departments prior to approval of the proposed event.

C. The Chair of the Special Events Committee may request additional information or a meeting with the requesting organization to ascertain further details regarding the proposed event.

D. Subject to approval by the City Manager or his/her designee, the Chair of the Special Events Committee will respond in writing to the request within forty-five (45) business days from the receipt of the request for co-sponsorship. Should the Chair of the Special Events Committee deny the request for co-sponsorship, the requesting organization shall have the right to appeal to the City Manager ten (10) business days of the receipt of notification of denial. Upon denial, the proposed event shall then be considered a non-sponsored event as defined above.

E. Upon approval, the Chair of the Special Events Committee shall initiate a co-sponsorship Memorandum of Agreement negotiated to meet the requirements of the parties in conduct of the event.
