Citywide Park Improvement Plans Holmes Run Park System

November 7, 2012

Recreation, Parks, & Cultural Activities
Park Planning, Design & Capital Development Division

Citywide Park Planning Goals & Criteria

Goal

Create plans that identify the priorities for future park enhancements and uses in Alexandria's large, multi-use, municipally-owned parks, balancing the City's recreational, cultural, environmental, and passive use needs.

What is a Citywide Park?

Over 20 acres

Multi-use

Municipally-owned

Citywide Park Planning Framework Timeline

	Spring 2012	Summer 2012	Fall/Winter 2012	Spring 2013	Summer 2013
Conduct Site Inventory	Dark Gray	Light Blue	Light Blue	Light Blue	Light Blue
Review Existing Plans & Documents	Dark Gray	Dark Gray	Light Blue	Light Blue	Light Blue
Collect Qualitative Data from City Staff	Light Blue	Dark Gray	Light Blue	Light Blue	Light Blue
Conduct Site Observations	Light Blue	Dark Gray	Dark Gray	Light Blue	Light Blue
Review National Benchmarks & Standards	Light Blue	Dark Gray	Dark Gray	Dark Gray	Dark Gray
Obtain Feedback from Public	Light Blue	Light Blue	Dark Gray	Dark Gray	Dark Gray
Hold Public Workshops	Light Blue	Light Blue	Dark Gray	Dark Gray	Light Blue
Develop Recommendations & Report	Light Blue	Light Blue	Light Blue	Dark Gray	Dark Gray

Park Planning Needs Assessment

Q15. Actions That Households Are Most Willing to Support with Their Tax Dollars

by percentage of respondents who selected the item as one of their top four choices

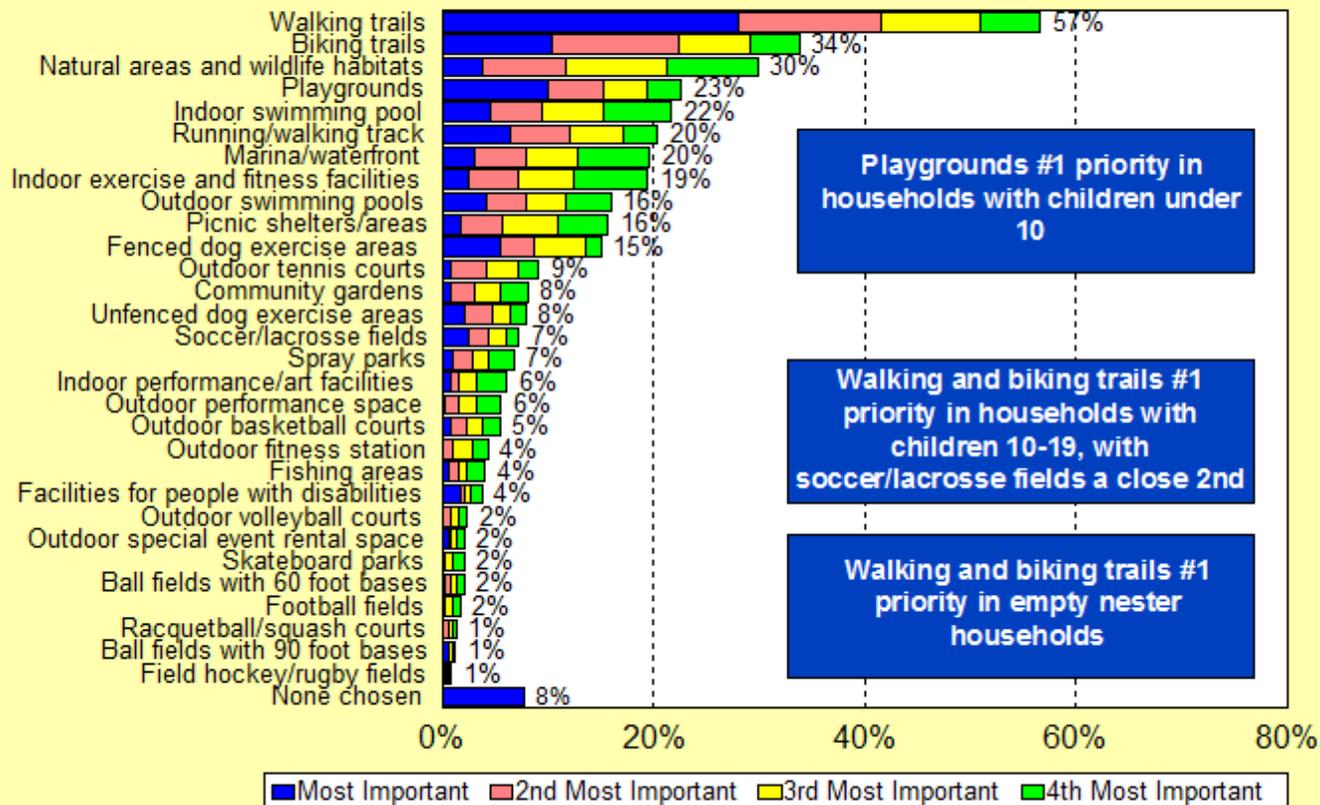

Source: Leisure Vision/ETC Institute (July 2011)

Park Planning Needs Assessment

Q7. Parks, Recreation, or Cultural Amenities That Are Most Important to Households

by percentage of respondents who selected the item as one of their top four choices

Consistent Findings in all Citywide Parks

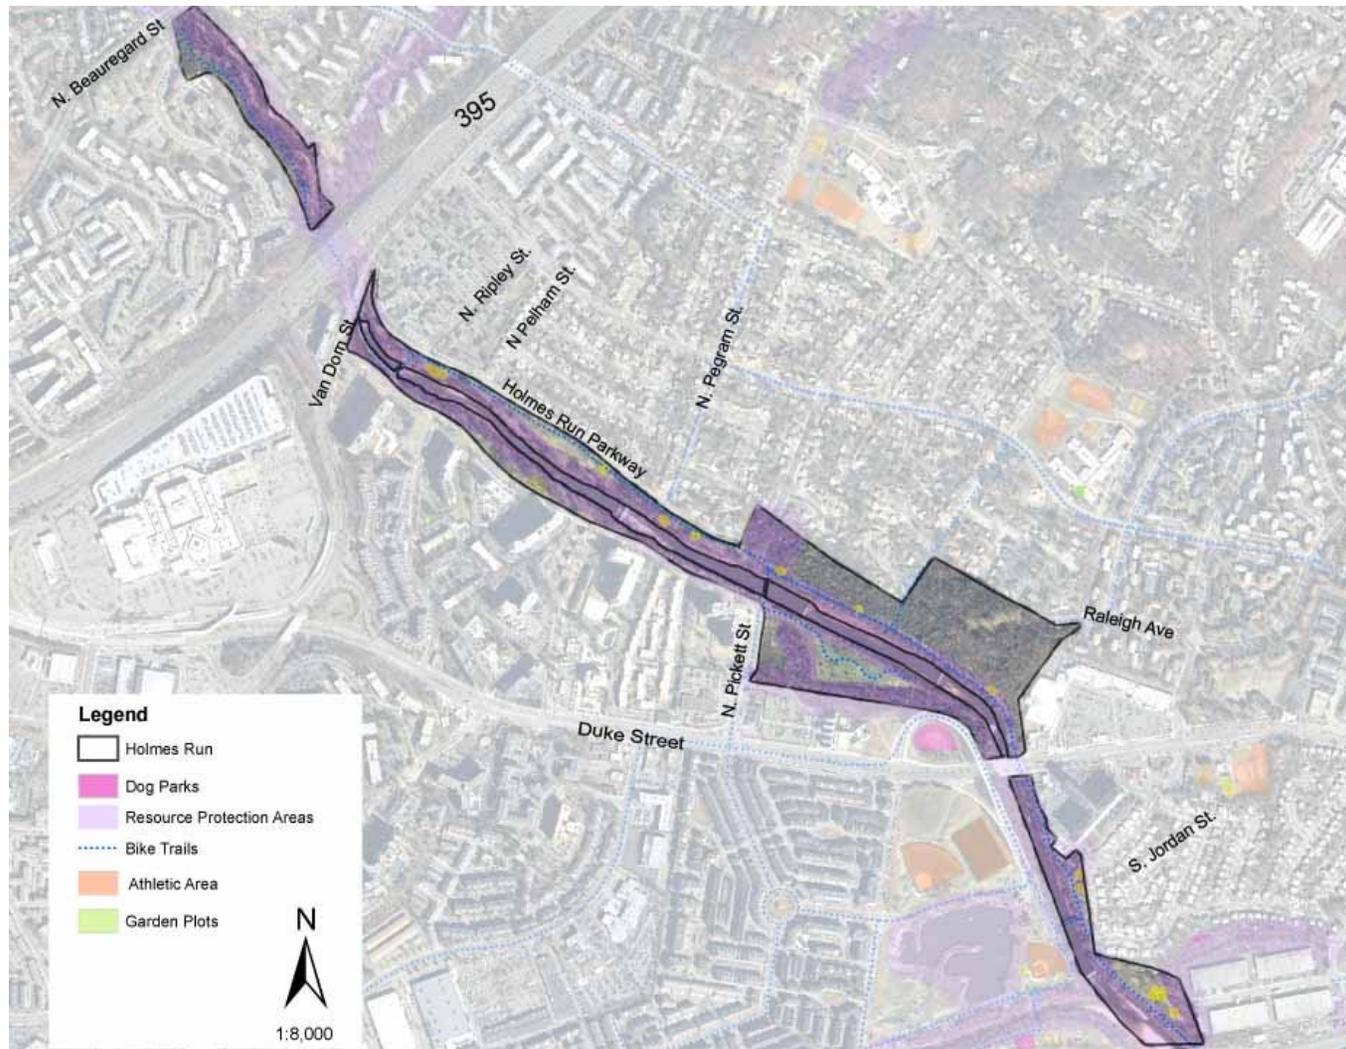

Develop strategy or implementation for:

1. Natural and Historic resource protection
2. Universal ADA accessibility
3. Multi-use paths to reflect user patterns
4. Parking management strategies
5. Upgrade and maintain sports fields
6. Trash receptacle locations and recycling program
7. Standardized way-finding and park regulation signage
8. Locations for public art, in collaboration with the Office of the Arts
9. Infrastructure for event spaces (hard surfaces, electrical outlets, restroom access, water)

Holmes Run Park System Existing Conditions

Holmes Run Park System Existing Conditions

Holmes Run Park System Site Observations

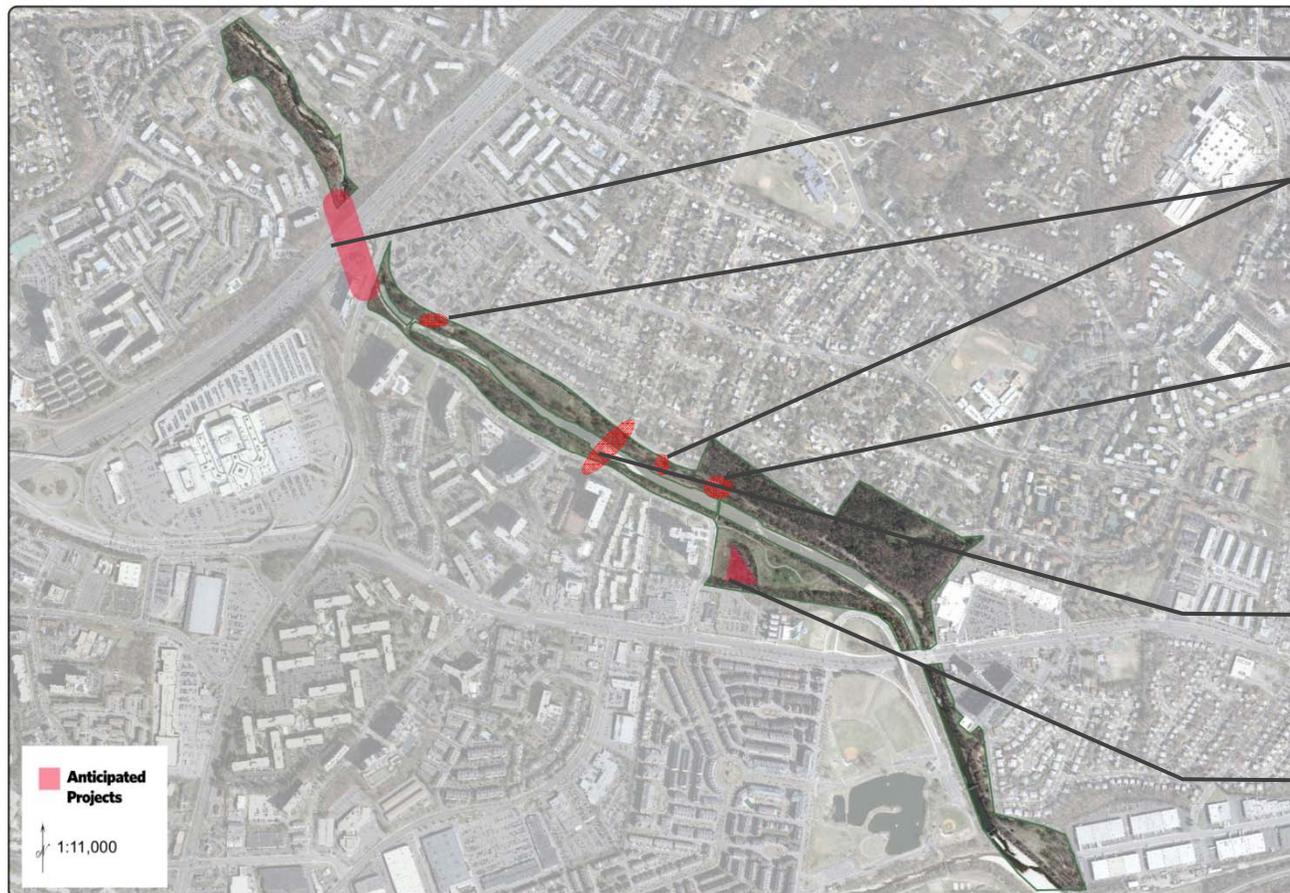

- Primary traffic is cyclists and joggers
- Kids using play equipment
- Many people crossing bridge to use the north side of the trail
- All Veterans Park rarely utilized
- Cyclists switching between road and bike path
- Parents and kids using playgrounds
- Park visitors park at Brenman to use trail across the bridge
- People exercising

Holmes Run Greenway
JULY 5, 8:30AM - 10:30AM
JULY 13, 3:30PM - 6:00PM

Holmes Run Park System

Anticipated Projects

Connection feasibility study underway

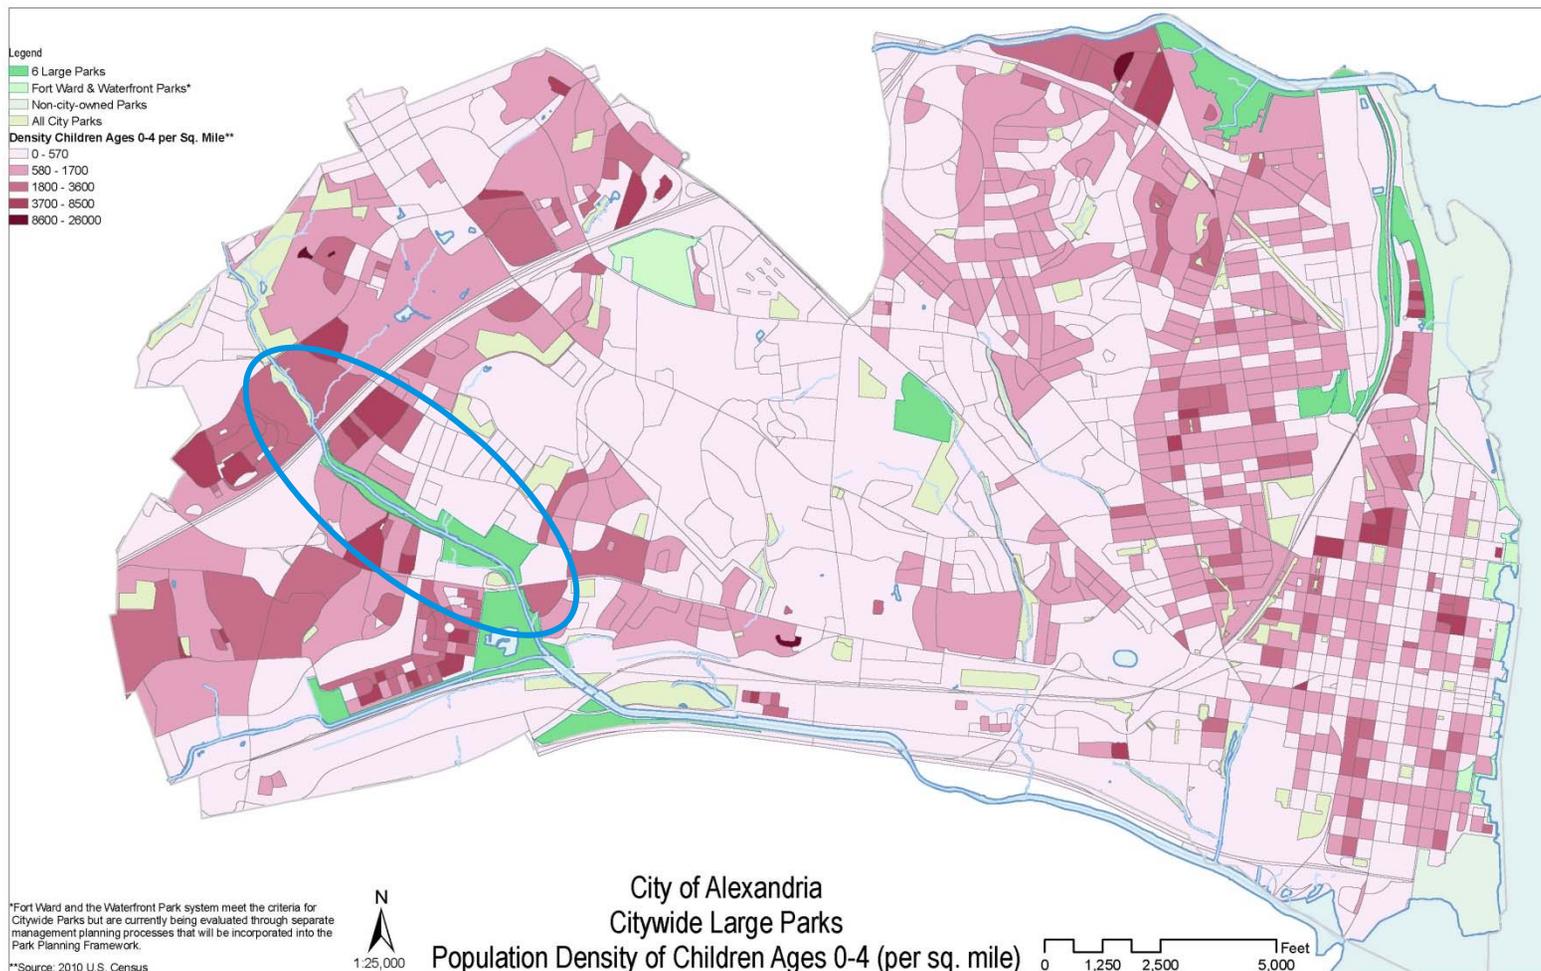

Playground renovation/ Resurfacing (FY16/17)

Fitness station expansion (Project in development through private/public partnership)

Fairfax County trunk sewer replacement (in progress, Spring 2013 completion)

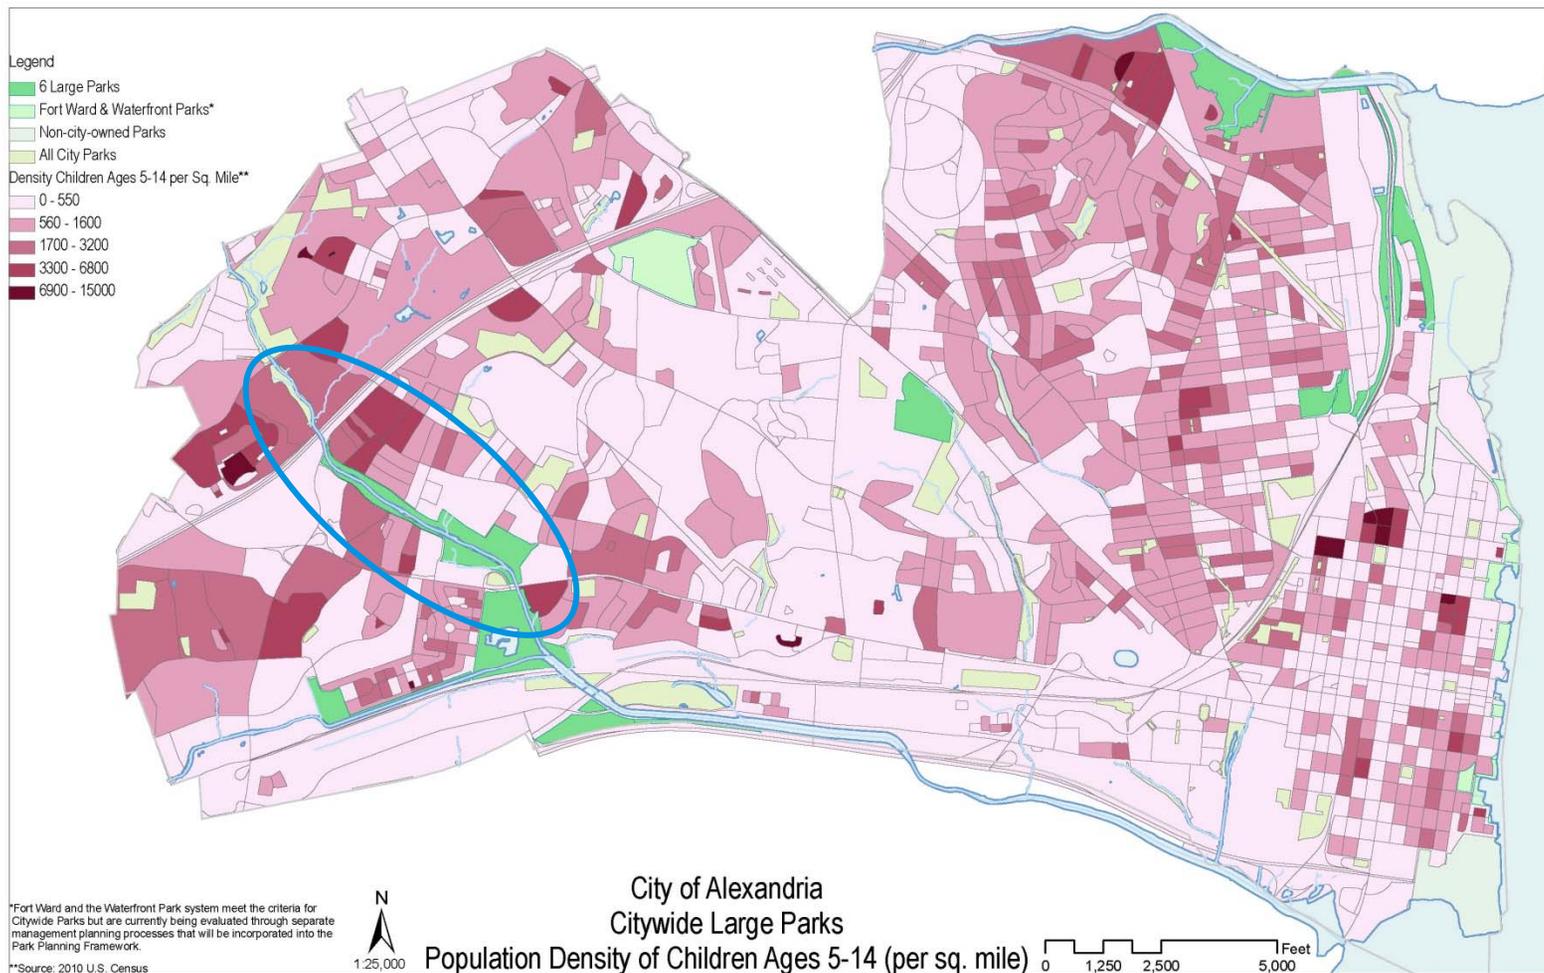

Possible site for stormwater management

Density of Seniors

Group Exercise

1. Complete individual surveys
(for those who have not filled out the online survey)

2. As a group, Identify:
 - a) The top five park assets
 - b) Where pathways should be for optimal park circulation
 - c) Existing conditions that need improvement
 - d) Programs/facilities that are not in the park, but should be

3. Review both the list of improvements and program needs, prioritize the top five.

Next Steps

1. Tell your friends and neighbors to take the survey before the end of November:
www.alexva.us/aw5
2. Workshops in four other Citywide Parks:
 - Ben Brenman/Boothe, November 14 @ Samuel Tucker
 - Hensley, November 19, @ Lee Center
3. Synthesis and Analysis
4. Spring Workshops
