Teams will be accepted when the following information is received before the close of business on the deadline date:

1. Team roster information prepared on the roster form provided, including returning teams
2. An email address that can accept file attachments
3. Two points of contact per team
4. Payment submitted in full online, by check, or money order as a single payment. Cash is not accepted.
5. Proof of residency or affiliation when registering under the First and Second Priority Classification

Note: Registration information may be submitted without player signatures, but a final roster with signatures must be submitted prior to the first scheduled game.

- Leagues are formed by divisions, and are divided by skill level and the primary day of the week on which games are played. Although each division is scheduled to play on a specific weeknight, teams will be required to play on other nights for the scheduling of make-up games and play-offs.
- In the event the league, skill level, or night of week for which your team has registered is full or does not have enough registrations, recreation staff will contact the team manager. Team managers will be given the option to play in a different league, skill level or night of week. The Department of Recreation, Parks and Cultural Activities reserves the right to place teams in a skill level based on past team performance. Teams will not be moved without first consulting the team manager.
- Team managers or a team representative is required to attend the manager's meeting indicated on front. Schedules will be distributed and rules and regulations will be discussed. Meeting information, including schedules, **will not** be sent via fax, email or by mail to teams who miss the manager's meeting.
- Teams must furnish their own uniforms.
