Sports Group Affiliate Policy

The City of Alexandria, through its Department of Recreation, Parks and Cultural Activities (hereafter “City” or “RPCA”), recognizes that certain organizations exist within the City whose purpose is to serve and enhance recreational opportunities for specific purposes and groups. These organizations are separate and independent from the City and provide their own leadership, organizational and operational structure. Although the stated missions of these organizations may differ, investment in public recreational facilities and programs creates a mutually beneficial partnership in which to provide quality recreation opportunities for all the individuals served by the parties, as well as the general public.

RPCA fosters strong relationships with our Sports Group Affiliates in accordance with the City’s Athletic Facilities Community Allocation Policy. RPCA works closely with existing organizations on such matters as field and facility assignments, usage, scheduling, and administrative matters. The programs and services of City affiliated groups are considered an integral part of sports offerings and opportunities within the City. The relationship between the Sports Group Affiliates and RPCA is intended to enhance the athletic opportunities and enjoyment for City residents.

The benefits of becoming a Sports Group Affiliate with RPCA are:

- Access to and communication with a designated RPCA staff liaison
- Priority access to RPCA facilities as set out in the Athletic Facilities Community Allocation Policy
- Discounted athletic facility usage cost
- Sport-specific athletic facility preparation
- Inclusion in RPCA program brochure and registration website with website link
- Link to Affiliate website on RPCA sports web page
- Access to designated community meeting space during operating hours

Criteria for City Selection as a Sports Group Affiliate

RPCA recognizes that it is in the best interests of the community that RPCA work with outside non-profit organizations in coordinating the planning and provision of recreational facilities and programs when: 1) The organization’s vision and purpose are aligned with RPCA, 2) They provide a service that RPCA would otherwise deliver and 3) a public benefit may be obtained through working relationships with outside organizations because each party can contribute to greater public service without relinquishing their separate identities or responsibilities.

Interested qualified groups must submit a request in writing by April 1 for the year beginning July 1 to RPCA Recreation Services Division Chief at the address set forth below:

City of Alexandria
RPCA Recreation Services Division Chief

Sports Group Affiliate Agreement Between The City of Alexandria and the ______________________________

A. General

1. The City of Alexandria through its Department of Recreation, Parks and Cultural Activities (“City” or “RPCA”) is willing to establish a working relationship and cooperative agreement with the ______________________________, (hereafter “Affiliate”). Through this Agreement, the parties will define the working relationship, mutual expectations, and individual responsibilities of each party. The terms of this Agreement set forth each Party’s understanding of the affiliation and this Agreement shall serve as a general outline of each party’s expected responsibilities. The terms set forth herein ensure that the parties agree to jointly plan, use, and maintain City facilities while permitting the City to retain the freedom of discretion, decision, and action in planning, developing, and maintaining its recreational facilities and programs.

2. An Affiliate’s failure to carry out the responsibilities outlined below may result in a loss of priority status for the assignment of facilities and/or termination of the Agreement.

3. This Agreement does not guarantee funding from RPCA and does not give the Affiliate any special designation for use, fees or priority with Alexandria City Public Schools (ACPS). ACPS sets their own facility use fees and prioritization for use of their facilities based on specific criteria established by the City of Alexandria School Board which is a separate entity from the City.

B. Application Process

1. Application to become a Sports Group Affiliate must be submitted in writing by April 1 for the year beginning July 1. Requests require up to three (3) months for processing. The term of the Agreement is July 1 through June 30 and may be renewed on an annual basis.

2. Renewal requests are due to RPCA by April 1. Renewal requests will not be accepted after the deadline.

3. Prior to submitting an application, organizations should determine whether or not they meet the criteria to become an Affiliate Sport Group of RPCA. Each year, RPCA will review whether the criteria are met. Any organization may apply to become a Sports Group Affiliate, but it does not guarantee Affiliate status. RPCA will determine whether or not a need exists, whether the group meets the criteria, and athletic facility availability. “Need” will be based upon the results of RPCA’s most recent needs assessments.
