Please take a moment to answer the following questions in order to help us make the best use of your time, support each participant, learn from you, and facilitate the most productive outcome.

1. What are your concerns?

To some degree feels like reinventing the wheel. Alexandria already has many mechanisms and processes in place that ~~[illegible]~~ eg commissions, boards, committees, promote civic engagement. Kinds of changes needed to truly expand public engagement take a moral committment that may not be an outcome of a process like this.

2. Do you have suggestions for improvements?

Maybe more emphasis on values along with principles of engagement. Disibility community didn't seem to be here but they may well be. Perhaps participants could be informed re: who is participating in the discussion. There was some representation of Latino community.

3. How would you explain in 2 sentences what we have accomplished at this meeting?

At our table we made some new acquaintances that were enjoyable and discussed ideas for expanding engagement of language minority families.

3. How would you explain in 2 sentences what we have accomplished at this meeting?

Please list one idea that occurred to you as a result of the exercises and presentation
There needs to be a more well-defined relationship or balance between citizens & city staff. For example many people only feel satisfied in a process when they get their way. Why does the City hire educated, trained & experienced city staff if they are not trusted to make decisions. Compromise is a responsibility of citizens that staff can help them reach.

Please take a moment to answer the following questions in order to help us make the best use of your time, support each participant, learn from you, and facilitate the most productive outcome.

1. What are your concerns?

That the planning for development is simply a sham. That the planners make the important decisions before they ever hold a public meeting.

2. Do you have suggestions for improvements?

Our next meeting should be a town hall style meeting.

3. How would you explain in 2 sentences what we have accomplished at this meeting?

Our table came up with some good suggestions. It will remain to be seen if any of them are acted upon. We discussed "Transparency."

Date: Jan 29 2013

Please take a moment to answer the following questions in order to help us make the best use of your time, support each participant, learn from you, and facilitate the most productive outcome.

1. What are your concerns?

That The city is engaging in closed loop systems that spend too much time limiting outside influence/information/science from The discussion. How The civility That used To prevail has been replaced with a shunning of people who do not buy into The ~~city~~ ~~endorsed~~ narrative The city exposes.

2. Do you have suggestions for improvements?

(1) Respecting citizens instead of ~~Having~~ litterally telling them ~~to~~ to shut up.

(2) TRY TO CREATE AN OPEN LOOP SYSTEM THAT is accepting of outside input Staff takes lead/encouncil ~~the~~ which ~~prec~~ reaches engagement with The public Frustrating and superfluous.

(3) Shorter ~~and~~ more productive and fer fewer meetings.

3. How would you explain in 2 sentences what we have accomplished at this meeting?

Discussing how To implement an incontroversial Bo element like a park ~~missed the~~ ~~a~~ does not convey problem The this effort is trying To deal with.

Please list one idea that occurred to you as a result of the exercises and presentation

~~"~~ Trust and openness is at core of problem Citizens and city alike ~~need~~ would ~~Be~~ be ~~more~~ less likely to be more open and less ~~conf~~ stressed and Thereby, hopefully, less belligerent and more respectful.
