**Subject:** Demolition of 226 Strand to begin 8.4.2016

Good afternoon John and everyone.

With the approval of the "Pre-Demolition Site Survey" by Code Administration and release of the T&ES "hauling permit" yesterday, it is our understanding this building located at 226 Strand will be demolished tomorrow. This information will be placed on the Ad Hoc website today.

Please forward AGENDA items for the next meeting (Aug 15<sup>th</sup>) to John Bordner as we expect to have this document ready for publication by COB, this Friday.

If you have any questions, comments or concerns, please feel free to contact me directly.
